Von Mariana Zapata : Kulti (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Kulti (English Edition):

Kurzbeschreibung Trust me, Ive wanted to punch you in the face a time or five. When the man you worshipped as a kid becomes your coach, its supposed to be the greatest thing in the world. Keywords: supposed to. It didnt take a week for twenty-seven-year-old Sal Casillas to wonder what shed seen in the international soccer icon why shed ever had his posters on her wall, or ever envisioned marrying him and having super-playing soccer babies. Sal had long ago gotten over the worst non-break-up in the history of imaginary relationships with a man that hadnt known shed existed. So she isnt prepared for this version of Reiner Kulti who shows up to her teams season: a quiet, reclusive shadow of the explosive, passionate man hed once been. Nothing could have prepared her for the man she got to know. Or the murderous urges he brought out in her. This was going to be the longest season of her life.
