**Von Desiree Acuna : Labyrinth of the Beast (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Labyrinth of the Beast (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen4 von 4 Kunden fanden die folgende Rezension hilfreich. A book

that's full of surprises

Von S. Fischer

Lilith, a young woman who was raised by her mother and taught about healing and herbs apart from the village in a house in the forest, is accused of witchcraft by the superstitious villagers. Therefore she is offered as a sacrifice to the "demons" living in the Labyrinth of the Beasts. Gaelen, one of the beasts, comes to collect her and to prepare her for the perverted and sometimes brutal pleasures of the other beasts. But although she goes through the sexual "service" demanded by the beasts, she feels drawn to Gaelen and he to her. Their worlds and wishes are too different though, and in the end Gaelen grants Lilith's wish to set her free and take the painful memories from her. Gaelen doesn't want to lose Lilith, though, and he knows that she's still in danger from the villagers, especially since she can't remember what they did to her. So he follows her to the forest where he meets her again in his beast form. When she seems distrustful of him at first, he transforms into a human man. When that "stranger" helps and protects her, she gives him shelter and they live and work together during the following months. While Gaelen learns about human life and emotions, Lilith feels attracted to both the human and the beast, who meets her in the forest from time to time. But how can she choose between the two?

This book was a surprise to me. It starts out with a situation that you find in many erotic romances: A woman is taken from her normal life and forced into sexual submission by "demons". In this first half of the book, there are some elements of BDSM and that's what the publisher tries to sell the book as. But in the second half, when Gaelen and Lilith have left the Labyrinth, the book becomes so much more. Here it's about two very different people who try to make a life together despite those differences. The relationship becomes very loving and caring here. I found this change fascinating and very convincing. The demons are not given to being emotional or caring, and when Gaelen finds himself drawn to this human woman and her human needs for gentleness and love, he must learn not only to deal with his own needs, but to find a common path with Lilith. I found this book fascinating, surprising and very enjoyable. The first half is sexy in a dark sense, but what I really enjoyed was the second half in which Lilith and Gaelen found a relationship that went far beyond sexual pleasure and attraction. So in my opinion, this book is far above the usual erotic romances. It has much more depth and character development. I will definitely buy the next book by Desiree Acuna.

Kurzbeschreibung

Lilith is offered to the demons that dwell within the Labyrinth of the Beasts. It is the Hawkin, Gaelen, guardian of the gateway, who comes to collect her. His task is to initiate her into the pleasures of the flesh and train her to entertain the insatiable carnal appetite of the demons.

Length: Mid-Novel

Genre: Fantasy Romance

Rating: Erotica; Contains graphic, explicit sex and language, bondage, oral sex, sexual mastery, and violence.

Synopsis

Accused of witchcraft, Lilith, the lady of the forest, is offered to the demons that dwell within the Labyrinth of the Beasts. It is the Hawkin, Gaelen, guardian of the gateway, who comes to collect her. His task is to initiate her into the pleasures of the flesh and train her to entertain the insatiable carnal appetite of the demons. But Lilith's coming was foretold long ago, and even the powerful demon, Gaelen, can not escape the destiny that fate has planned for him.

Rating: Contains explicit sex and language, bondage, oral sex, sexual mastery.
