Interesting and clever. Von Rose-Marie Sommer Maybe 5 stars. The bad grammar/ typographical errors in these books just makes me angry. I offer to proof read!
8 von 8 Kunden fanden die folgende Rezension hilfreich. Funny, sexy, heartwarming, ... oh and did i mention funny?
Von Ein Kunde Lady Be Good was the beginning of my addiction to Susan Elizabeth Phillips. Ever since I finished it, I can't seem to get enough of her! Lady Be Good is about golf pro Kenny Traveler and his leading lady, Lady Emma Wells-Finch. Pick up the book and get ready for laughs. Kenny has been suspended from golf for bad behavior and he needs to get his good behavior act together. Lady Emma doesn't want to marry a duke and therefore needs to do something really bad, so her reputation will be blemished. When these two mismatched people clash, the explosion is wild.
SEP has done it again with her latest novel, it has all the elements that has made her name so great in the contemporary romance world. Go n'get it!

Von Ein Kunde It is impossible to read this book and not find yourself grinning and laughing. Even in public places when I was trying to be inconspicuous - I found myself grinning like a fool and chuckling. People around me tried to see what I was reading! My children begged me to let them in on the humor. The only complaint you will have about author Susan Elizabeth Phillips is that she needs to publish more! She will not only have you thoroughly enjoying the main characters Emma and Kenny but she will entertain you with the antics and relationships of the "supporting cast" of Torie and Dexter. She brought back old favorites - Francesca and Dallie Beaudine. No one does a better job of offering greating subplots while keeping the main story at peak entertainment. Please, Susan, more books!!!

Kurzbeschreibung A British Lady Lady Emma Wells-Finch, the oh-so-proper headmistress of England's St. Gertrude's School for Girls, is a woman on a mission she has two weeks to lose her reputation. Arriving in Texas with skirts flying, umbrella pointing, and beautiful mouth issuing orders, she knows only one thing will save her from losing everything she holds dear: complete and utter disgrace!
A Texas Rascal World-famous playboy-athlete Kenny Traveler has kicked up his boot heels one too many times, and now he's suspended from the sport he loves. Only one thing will restore his career: complete and utter respectability! Unfortunately, he's been blackmailed into chauffeuring bossy, single-minded Lady Emma, and she's hell-bent on visiting honkytonks, chasing down tattoo parlors, and worse.. lots worse.
Love, All-American Style When a gorgeous man who can't afford another scandal meets a hardheaded woman who's determined to cause one, anything can happen. But love? Oh, dear. That's impossible. That's outrageous. That's... Inevitable!
de Lady Emma Wells-Finch is determined to cause a scandal. Nothing big, you understand, just enough to convince her pompous British suitor that she's not an eligible candidate for marriage. She's thinking along the lines of, oh, maybe a discreet tattoo. But when suspended Texas golf pro Kenny Traveler meets her plane at Dallas-Ft. Worth Airport, Emma decides that he's the perfect candidate to destroy her reputation. Kenny, on the other hand--who desperately wants to be reinstated on the golf tour--is just as determined to keep a low profile and remain squeaky-clean. If Lady Emma weren't a close personal friend of the golf commissioner's wife, he'd never have agreed to squire her around town. Unfortunately for Kenny, his weakness for the British beauty is growing daily, and it seems as though Emma may have feelings for him as well. In a bizarre turn of events, wild man Kenny finds himself trying to keep the prim and proper British lady from causing a scandal the size of which even the lone-star state has never seen, and the results will leave you laughing with delight. Below the hilarious dialogue that is Susan Elizabeth Phillips's trademark, Kenny, Emma, and the charming array of characters that populate this exceptional contemporary are warm and wonderfully human. Emma saves her Kenny and he saves her right back--never were two people more gloriously deserving of each other. --Lois Faye Dyer.com
