**Von Lara Adrian : Lady of Valor (Warrior Trilogy Book 3) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Lady of Valor (Warrior Trilogy Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. A fun romanceVon Ein KundeIronically, after two years of fighting in the Holy Land along side of King Richard, Garrett of Fallenmour dies at the hands of a ten-year old girl he accosted just before a treaty is signed. Though he was a lousy

solider and an even worse leader, Garrett got along due to the protection of Richard's most trusted knight, Cabal, better known as Blackheart. Concerned what John will do with Fallonmour and its widow, especially since Garrett's brother openly supports the Prince, Richard assigns Cabal to keep both safe until other arrangements can be made. Though a cold-blooded warrior, Cabal is stunned by his reaction to Fallonmour's widow and is even more shocked by Emmalyn's almost aloof reaction to Garrett's death. Further astonishing the knight is how well Emmalyn has managed the estate. The feisty Emmalyn sees her "protector" as a caring person. As the duo falls in love, his fidelity to the King is tested even as he risks his life to keep her safe. Though staying inside medieval romance "guidelines," *LADY OF VALOR* is an entertaining tale that sub-genre fans will enjoy. The story line brings to life an era of deceit, double crosses, and dishonesty at the highest levels of the nobility even as that is juxtaposed by fidelity, love, and integrity practiced by decent folk of all classes. The lead couple is a fine duo struggling with their mutual respect and love for one another against their need for independence and loyalty. Tina St. John provides her readers with a warm noble tale. Von Penny Davis  
If you like strong independent heroines you'll love this book, which has a title that perfectly fits the heroine. Lady Emmalyn of Fallonmour has been running the huge Fallonmour estate since her husband went off on a crusade. It was a blessing to Emmalyn he left but when she finds out he was murdered she feels guilty because she wished him dead so many times. Now she's uncertain of her future since the King has sent a knight with the news of her husband and to guard the keep until he decides who the new owner will be and who Emmalyn's new husband will be. Her life was taking care of Fallonmour and its folk. Now it looks as if all will be lost. Caleb also known as Blackheart has known nothing but war since he was a young orphaned boy. When he's sent to Fallonmour to protect it for the King he wants only to be back at the battlefield. That is until Lady Emmalyn starts to melt his black heart. He's had a heart all along but it takes her to show it to him. With Sir Garrett dead, his brother Hugh de Wardeaux will plan to take over Fallonmour and claim Emmalyn for himself and even with his cunning knowledge of battle, Caleb will have an enormous challenge trying to get the measly amount of guards he has to work with to protect the keep from Hugh. Caleb steps in to take over Fallonmour almost stepping on Emmalyn's toes. The castle and village folk soon come to admire him but still adore their Lady Emmalyn. Emmalyn finds herself attracted to the man who came with the news that will lead to her losing her land and freedom. There are many challenges and lots of action to keep the pages turning rather quickly in Emmalyn's and Caleb's story. I applaud Tina St. John on the historical points in the book. You can tell she did her homework. If you enjoy historical romances as much as I do, then you will enjoy this book by the talented Tina St. John.

Von Ein Kunde  
I loved this book! I admit it, I had some pretty high expectations after St. John's great debut *Lord of Vengeance*, but *Lady of Valor* satisfied me on every level. Pair a hardened, lethal warrior with a wounded, yet proud, widow, then mix in some dark secrets and political intrigue and you have a winning medieval tale filled with emotion and sensuality! Unlike the previous reader, I actually felt that these two characters were more real and more connected than the ones in the first book. This is a totally different kind of story than *Lord of Vengeance* and while I probably liked the action of the first better -- it was a more energetic plot -- I liked the depth of character and tender unfolding of Lady. Not to mention the great love scenes! It does have its share of action and excitement too, but it's really a story about two wounded people learning to trust each other and love. I highly recommend it!

Kurzbeschreibung  
She tempted him to defy his king and surrender his heart . . . Left a widow by her cruel husband's death, Lady Emmalyn of Fallonmour is determined to control her own destiny, until her hard-won vows of independence are threatened by the mysterious warrior sent to protect her castle on order of the king. Emmalyn is now at the mercy of Sir Cabal, a feared knight known as Blackheart. Skilled at war and hiding a tormented past, Cabal swears allegiance to no one but himself and his country. But once he meets Emmalyn, he finds his strength tested by this proud beauty who stirs his blood with desire, tempting him to defy his king and surrender his heart. . . . \* Winner of the National Readers Choice Award for Best Historical Romance of the Year\* HOLT Medallion Finalist for Best Historical Romance of the Year\* Colorado Award of Excellence Nominee for Best Historical Romance of the Year  
Cabal is a tortured hero, and if you like those, you'll love him - he is a good man who thinks he has lost what makes him a human being. As for Emmalyn, she's spunky without being annoying, strong and independent. It was a joy to watch these two fall in love. If you are looking for a great medieval, look no further than *Lady of Valor* - All About Romance (Grade A / Desert Isle Keeper) ~~~~~ Pressestimmen "Tina St. John is a talented new writer to watch!" -- KIMBERLY CATES Author of *Briar Rose*
