Von Marian Keyes : Last Chance Saloon before purchasing it in order to gage whether or not it would be worth my time, and all praised Last Chance Saloon:

KundenrezensionenHilfreichste Kundenrezensionen4 von 5 Kunden fanden die folgende Rezension hilfreich. Nice Story But Slow ReadVon PGF HeilThis Story isn't the usual page turner your used to by Marion Keyes.The story is great, the charachters are defintly loveable, but for some reason this book just can't capture you.At the beginning it

moves incredibly slow - I even considered not finishing it! But towards the end of the book it finally starts coming along and is absolutely worth reading to the end. 3 von 3 Kunden fanden die folgende Rezension hilfreich. Sex and the City in London Von Ein Kunde This is the first novel I read of Mariann Keyes and I'm glad I did it. Especially the beginning reminded me of "Sex and the City" - just that the story takes place in London... All in all a funny book about the "big" problems in a woman's life: men, weight, shopping etc. I can't wait to read the author's other books. :-)

Umsonst gekauft Von Nivea06 Da einige meiner Vorrezensentinnen das Buch trotz des langweiligen Anfangs als gut beschrieben haben, schenkte ich ihnen Glauben und qualte mich durch. Anbei immer die Hoffnung, dass der interessante Teil irgendwann anfangen muss. Die ersten 100 Seiten des Romans sind einfach unertrglich. Doch wirklich besser wird es auch nicht, wenn alle Personen eingefhrt und beschrieben sind. Die Handlung ist unglaublich seicht, stereotyp (besonders schlimm ist der schwache Charakter Tara) und vorhersehbar. Die Personen fesseln nicht, sie langweilen. Die Krankheit von Fintan zieht sich wie Kaugummi und das ganze Drumherum ist so langatmig.... Schrecklich. Klare Empfehlung meinerseits: NICHT lesen !

Kurzbeschreibung Ever since legwarmers were cool, best friends Tara, Katherine, and Fintan have survived small-town ennui, big-city heartbreak, and endless giddy nights out on the town. But now that they've graduated to their slightly more serious thirties, only Fintan has what can honestly be called a "love life." With Tara struggling daily with her eternal diet and her dreadful, penny-pinching boyfriend and Katherine keeping her single existence as organized as her drawer full of matching bra and panty sets, it seems they'll never locate the exit door out of the "last chance saloon." But it's always when you are least ready for change that fate insists on one. And when catastrophe inevitably follows crisis, the lives of three best friends are sure to change in unexpected ways ... and not necessarily for the worse. You devoured the hilarious antics of Claire in Watermelon. You laughed 'til you cried in Lucy Sullivan Is Getting Married. You took a vacation gone mad in Rachel's Holiday. You flew away with Margaret good girl gone bad in Angels. You got a peek inside the cutthroat world of women's fashion magazines in Sushi for Beginners. Now, raise your glass to Tara, Katherine, and Fintan in Last Chance Saloon.. de Author of the hugely popular Rachel's Holiday and Lucy Sullivan is Getting Married, Marian Keyes is back swinging the doors of heartache and hilarity with Last Chance Saloon. Meet Tara, the rapidly expanding food-loving shopaholic; Katherine, the neat, male-ego-destroying singleton; Fintan, the fashion-conscious lovely, and Lorcan, the gorgeous but rotten redheaded womaniser. Marian Keyes deliberately deploys stereotypical characters and situations, then attempts to subvert the stereotypes, though perhaps in rather obvious ways. Throughout, Tara bores us with her lament that she is at the last chance saloon, meaning that if she ends her current relationship at 31, she's on the shelf for life. "For the first time Tara visualised it and she contracted with fear. It was like being told to jump off a cliff ... 'But what would become of me without Thomas? I'd never get anyone else and I hate not having a man. And it's not something I'm proud of' she added quickly. 'I'm going to puke', Fintan interrupted, urgently." Those who can resist the urge to follow Fintan's lead on the umpteenth rendition of this particular complaint will enjoy the book. It's addictive--reading The Last Chance Saloon is like watching the omnibus edition of Sunset Beach; you know the acting is awful and the same scenes keep on repeating themselves but you can't help being hooked and feeling sated afterwards. At almost 600 pages, settle down for a Saturday afternoon and don't expect to be getting up again until Sunday. --Nicola Perry.co.uk Author of the hugely popular Rachel's Holiday and Lucy Sullivan is Getting Married, Marian Keyes is back swinging the doors of heartache and hilarity with Last Chance Saloon.
