Von Emma Hart : Late Call (Call #1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Late Call (Call #1) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. Not what I had hoped..... Von reader This book started with an interesting plot and ended really strong with not a lot of depth in between. Even the H/h's reactions to seeing each other again after so many years was just weak with no emotion! Especially when one finds out the other is a call girl! There were tons of things that annoyed me, most of all

Dayton. I could not connect with her at all. She was stubborn, in denial, and irrational. She was pissed off at Aaron for 80% of the book (not even kidding): she spends a good deal of the story complaining and angry that she is being forced to be his personal escort; then she is angry that he wants to spend money on her; then she is upset that he doesn't want her to be an escort while judging her for being one. But, as it was, I didn't see any good reason as to why she refused love and why she was even still a call girl. I'd really like to know more about why she kept saying she had to do it for money? She was making ridiculous money and buying huge name brands, living in her perfect house, if she was happy to eat she could be doing anything else. Her friend shrimps and saves and barely makes rent but doesn't feel the need to have sex for money! Aaron did not act mature when he insisted on his day off instead of dealing with a problem at the Milan office. He looked like a boy green behind his ears when his father's PA handed him the company's credit card and travel details on the airfield just before departure. I also loathed how every single one of Dayton and Aaron's conversations had at least one instance of dirty talk. It was so annoying! Oh, and I can't even count the number of times Aaron said "[insert sexual act here] till you're screaming my name". The sex scenes were boring, crude, and lacked eroticism.

Einige wurden erfüllt, andere nicht und die meisten anders denn gedacht. Prinzipiell mochte ich die Geschichte, verschlinge regelrecht 'Erste-Große-Liebe' - Romane, und das die die Protagonistin und ihr Ex sich auf promiskuitive Weise wiederfinden war ein toller Start. Aber oftmals konnte ich Dayton nicht leiden, fand sie zickig, weinerlich oder frustrierend und Aarons Geduld mit ihr entsprechend meisterlich und unnachvollziehbar. Mir haben Rückblenden gefehlt (.hier geht es doch um die zweite Chance zweier Liebenden..) Und letztendlich hat mich der Cliffhanger am Ende verrückt. Auch wenn die Beziehung zwischen beiden also gut geschrieben und fühlbar ist, werde ich das zweite Buch vermutlich nicht lesen.

Von Simona Elena *Book provided by the author in exchange for an honest review* Most of the Emma Hart books have been on my to-read list for a while, but I never got round to reading them. I was so happy when I found Emma's Street Team Group on Facebook, thank you for letting me be part of it. This gave me the possibility to get the ARC for this wonderful tour and here we are. We get introduced to Dayton Black, who lives in Seattle and works as a call girl. When she's working she uses another name: Mia Lopez. When she has to accompany one of her clients to an event, she is SHOCKED. None other than her ex, the love of her life she met in Paris, is her client. There he is, sexy Aaron Stone with his blue blue eyes. He's about to become the CEO of his father's company and he's very rich. Well, Dayton can't believe it and is glad when the evening is over, but he books her again, for six weeks, to accompany him on his business trips and being his girlfriend. Great! That's just what she wanted!!! She's a call girl, call girl DON'T FALL IN LOVE. Their chemistry is obvious from the start and the sexual tension, wow!!! Emma found an amazing way to share all of this with us readers and I'm really impressed about the mixture of feelings, passionate scenes and a real storyline, well done Emma

Kurzbeschreibung She's a high class call girl. He's taking over his father's business. Seven years ago, they fell in love in Paris. They walked away at the end of the summer, never imagining they'd meet again. Now he's her client. We fell in love the way you jump from a cliff. Hard and fast with a reckless sense of abandon. The six weeks we spent together changed my life, but at seventeen, I was naive. I was a dreamer. A believer. Now I'm twenty-four and cynical. I don't believe in love. There's no place for such emotions as a high class escort. The only things I'm allowed to feel are physical and that's why it's so damn hard when the client of a last minute job turns out to be the man I left in France seven years ago. When he buys me for six weeks at triple my rate, my agent makes it clear I have no choice but to take the job despite our previous relationship. And my heart makes it very clear I have to stay firmly on top of the cliff this time. Because for six weeks, I once again belong to Aaron Stone.

Late Call is book one of the Call series. "Sexy, smart and sizzling, Late Call is addictive and brilliantly written!" - Kendall Ryan, New York Times Bestselling Author
