Part 4 of a very hot story about submission and love Von Magritte Lean on me is the fourth book of Cherise Sinclair's series about the Masters of Shadowlands where the Club Shadowlands is the setting for her addictive BDSM stories. The

series:- Club Shadowlands [Masters of the Shadowlands 1]- Dark Citadel [Masters of the Shadowlands 2]- Breaking Free [Club Shadowlands 3]- Lean on Me [Masters of the Shadowlands 4]- Make Me, Sir [Masters of the Shadowlands 5]- To Command and Collar (Masters of the Shadowlands)Andrea is looking for a Dom who could tame her, but she is not the typical sub. She dresses like a Domme, does not like to follow rules, nor to trust or ask for help. So when her best friend calls on a dept and manages to make her enter a traineeship at the club of Shadowlands, she had nearly given up hope to find the right man to take care of her, until she meets Master Cullen who leads the traineeship program and takes her education in his own hand.Master Cullen on the other hand is at first not happy to have to take care for Andrea until he starts to find her fascinating, but he is a very experienced man and needs her full trust and wants her to accept his help if she requires it instead of trying to handle everything by herself. Both have to work on their needs and fears in order to be together.I really love Cherise Sinclair's writing. If you too like burning hot erotic stories about domination and submission; if you need more than only sex; if you enjoy books with great kinky characters; if you like persons who overcome their fears trough love: then you will simply love this series. Sure this lifestyle isn't for everyone and the scenes are definitely not vanilla sex, so just see if you like this kind of themes.The storyline is nice, the story itself as well. The characters unfold beautifully. I enjoyed Mrs. Sinclair's drawing of the care the Dom takes of his sub, how focused he is on her pleasure and wellbeing, but also her explanation about what is so interesting for an intelligent woman to submit to a man without losing her independence. She also presents different types of BDSM games, with a variety of very inspiring scenes and characters. Her women are fragile but strong, intelligent and submissive; her alpha males are dominant, protective and very understanding.I discovered Cherise Sinclair while reading a review of some BDSM books by Jan Bowles and even though I liked her books I really enjoyed Mrs Sinclair's books much more as they are but deeper into the scene and the varieties of stories as well as her characters are great.Enjoy the read MBTM0 von 0 Kunden fanden die folgende Rezension hilfreich. Und es geht weiterVon -KundeIch hatte mir mehr oder weniger nach Beendigung des ersten Buchs alle weiteren gekauft. So schtig macht diese Serie.das 4. war wohl das auf welches ich am meisten gespannt war. Cullen war ein doch recht oft vorkommender Charakter in den ersten 3 Bchern. Im 4. bekommt der doch recht unterhaltsame Cullen dann seine eigne Story und seine Chance aufs Glck mit den Frauen. Ich muss ja gestehen, die idee das es ein Trainingsprogramm fr Subs gibt ist irgendwie unterhaltsam und doch recht amsant - wobei ich mir sicher bin, das es das vielleicht wirklich irgendwo gibt.Andrea - der Charakter der am Ende mit Cullen glectlich zu werden versucht ist am Anfang ehrlich gesagt etwas irritierend. Man wird irgendwann warm mit Ihr, aber es braucht etwas.Die Story ist von allen vier bisher die mit den meisten auf und abs sowie die, welche am meisten die Frage "werden Sie? Werden Sie nicht" aufwirft. Zwei sehr (willens)starke Charaktere wo es des fteren doch kracht. Und ein paar auf und abs welche die Story aber sehr liebenswert machen.0 von 0 Kunden fanden die folgende Rezension hilfreich. I LOVE LOVE LOVE this series!!!!Von CassandraTaming the Master? Only when you're a mouthy brat!I loved this story about Master Cullen and Jessica - just like the first three books in this series.And once again it is nicely shown how much trust is needed in a BDSM relationship and how easily this can be broken!Well, straight on to book 5!!! Don't want this series to end!

Kurzbeschreibung*Reprint* Andrea wants to submit, but not to just any so-called Dom. He has to be tougher than the slum-bred bullies she grew up with. She'd given up finding a true Dom when her friend finagles her a place as a trainee in an exclusive BDSM club with the powerful Shadowlands Masters. Andrea's thrilled...and terrified.Forced to accept an unknown submissive into his carefully run trainee program, Master Cullen is furious. Not only is the young woman new to BDSM, but she's unsuited to her role--armored in leather like a Domme, she's more liable to punch a Dom than kneel. He decides to push her right back out the door. But as he ruthlessly intimidates her, punishes her, then cuddles her, he glimpses the woman inside the emotional barriers. Her utter surrender captures his heart.Although Master Cullen is famous for his unfettered lifestyle, Andrea hopes he might be interested in her, until she discovers he's not just a bartender--he's a cop. Maybe he'd overlook her past brush with the law, but when another trainee accuses her of stealing money, Andrea knows she's lost the Master she wanted with all her heart.
