Von Katy Evans : Legend (The REAL series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Legend (The REAL series):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. 5 unbelievably sexy starsVon Rady ReadsAll I can say is Oh.My.God! I absolutely couldn't wait to get this book in my hands. Just the name Legend is super exciting right?I have to say, it's one of the best series I've ever read. I can't say,

who I loved more, Remy Tate or Maverick Cage. The whole book was full of them but I fell in love with Maverick the Avenger Cage. For someone who wasn't trusted by anyone because of his heritage to fight with heart in the right place. And Reese this sweet girl who takes care of Racer the son of Brook and Remy's. She's been hiding her past, she is closed off and not very talkative except with her family and the Tates. When they met, he's got literally nothing and wants to get in the underground fights. She also doesn't have much to give. Yet she has a heart of gold and helps him not get thrown out of gym he uses for his training. They became friends and crave one another's attention, they fall in love. I laughed with them, I was sad with them, I loved their story. Hell I lived the story with them. If it wasn't for my family, I wouldn't have put the book down. So I would say if you haven't read the series it's about time! von 1 Kunden fanden die folgende Rezension hilfreich.

The world's eyes are on them, and the victor will go down in history as the ultimate fighting champion the ultimate LEGEND. Pressestimmen "A strong, intense, sexy young fighter with a chip on his shoulder lies at the center of Evans' latest. Smart, modern storytelling coupled with an engaging plot are the highlights. Reese and Maverick's compelling voices will draw readers in, along with their electrifying chemistry. Fans of Evans' REAL series will not be disappointed."
