Von Mercy Celeste : Let it Go (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Let it Go (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. konnte das Buch nicht beiseite legenVon Tina Hlnerklasse Buch, gut geschrieben und Spannend bis zum Schluss!Ein echte

herzzerreißende Geschichte, ich konnte das Buch nicht beiseite legen!

KurzbeschreibungWhen alcohol and fierce tempers land two cowboys from the rodeo circuit under house arrest, it may be time to Let It Go. Can hidden secrets and a common enemy hold the key to happiness or... will they destroy them both?Creed was the main focus of Elis fierce temper. For ten years the two men left a trail of destruction in their wake, with rodeo, beer, and fists all they had in common. Until a judge had enough and sentenced them to house arrest in the same house. Theyd either learn to get along or theyd kill each other.Trapped on Elis rundown Florida ranch, Creed discovers Elis secret, one that he shares. But he didnt count on Eli learning all of his secrets, especially the one that would shatter their newfound truce.Scarred to his bones, Eli avoided relationships like the plague. Yet something about the quiet Creed had always pushed his buttons. Falling in love with him was never part of Elis plan. When it happens hes unprepared and out of his league.When a shared enemy comes calling Eli can only think of keeping Creed safe. He never dreamed that their lives were linked or that Creeds former life could destroy them both. Will love be enough to save them?Story of abuse, mental, physical, as well as sexual. Scenes of extreme violence.

ber den Autor und weitere MitwirkendeBorn and raised in the wilds of north west Florida, I currently make my home in Mobile, Alabama, where I attended the University of South Alabama. My interests are as diverse as the topics about which I write. I love to quilt, cook, and troll resale stores for bargains. Being a good southern girl, I love football and fried food. I write southern themed spicy romance of the het and gay variety. Because love doesn't care who you are.
