Von Jill Steeples : Let's Call The Whole Thing Off before purchasing it in order to gage whether or not it would be worth my time, and all praised Let's Call The Whole Thing Off:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Gripping and so enjoyable!!!Von Simona Elena*Book provided by author in exchange for an honest review*The cover for this

novel is amazing: so lively, catchy and beautiful. The colours are great and the bride in the middle makes it seem so alive. Lets just say I loved it, still do of course. The beginning of this story is awesome. After a few words I was already deep in it and it turned out to be a great page turner. Reading the diary of my best friend, it would never even cross my mind, but our female lead did it and I loved the way Jill described these scenes. As a reader I exactly knew how Anna felt and her emotions were described brilliantly. Although Anna did a bad thing with reading her best friend's diary she was so likable from the start. What she reads makes her world turn upside down and she doesn't know what to do. What would you do, if you find out your fiancé is having an affair with your best friend? I honestly wouldn't know what to do, I'd probably flee. Anna's best friend Ben wants to help, but can't seem to find the right words and after staying one night at his cottage (where something almost happens between them) Anna goes away. I kind felt that there was something special between Anna and Ben, I just wasn't sure in what way yet and I was so curious to find out. I love what Anna experiences in Hollisea and the people she meets there are great, every single one of them special in their own way. Anna can pretend to be someone else, but she still has people to talk to. Dave is an attractive character and I liked Anna a lot with him. The things that happened between them weren't predictable at all, which made this story so interesting. Of course Anna still had to face reality and when her fiancé, best friend and Ben turn up, the drama is really getting started. I couldn't put the book down at this point. Some lively conversations and feelings were included, perfectly written. I didn't like Anna's decisions that much at this point of the story, because I would have reacted differently, but it gave the story the right twists. You're still wondering till the end, which man is the right one for her, until some sentences before it ends. The ending was a bit abrupt for my taste, but otherwise I absolutely loved this wonderful novel. Great job Jill! So gripping, vivid, enjoyable and fascinating!!! Rating: 4.50 von 0 Kunden fanden die folgende Rezension hilfreich. Schnes buch Von CustomerSchne Liebesgeschichte. Lsst sich einfach lesen. Ich werde die anderen Bcher von jill steeples auch lesen. Ich freue mich drauf 0 von 0 Kunden fanden die folgende Rezension hilfreich. You get what you expect Von B. Meier It's just what you expect it to be : entertaining beach read with the twists and turns you knew in advance

Kurzbeschreibung Reasons why you should never, ever, read your best friend's diary (even if it has fallen to the floor, pages open oh-so temptingly):- Its morally indefensible.- She would never trust you again.- You probably know it all anyway So what harm could the tiniest peek do? Answer: Lots! The best reason for never reading your best friend's diary:- You might just find out something you really didn't want to know! Learning her fiancé, Ed the guy she's supposed to marry this weekend! is having an affair with her best friend, is a devastating bombshell for bride-to-be Anna. Confused, hurt and absolutely livid, she hops on the first train to anywhere-but-here in need of some serious soul searching. Can she ever forgive Ed? Who is Anna sans Ed? And more importantly, should she go through with the wedding or should she just call the whole thing off? Jill Steeples first novel *Desperately Seeking Heaven* is shortlisted for the Romantic Novelists' Association Joan Hessayon Award 2014 Praise for Jill Steeples 'Lets Call The Whole Thing Off' by Jill Steeples is a well written and easy to like book. If you are looking for a chick lit with a twist then give this one a read.' - Harlequin Junkie 'So gripping, vivid, enjoyable and fascinating!!!' - Sky's Book Corner 'It was a thoroughly enjoyable read that kept you wanting more.' - A Book and Tea 'I enjoyed reading this a lot. Jill is a great writer, she knows how to tell a story. I can't wait to read more of Jill Steeples.' - Dreaming with Open
