KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. buch kindleVon B.tolle bcher Serie ber Football spieler, ber kindle sofort zu lesen was ich sehr bevorzuge2 von 2 Kunden fanden die folgende Rezension hilfreich. really enjoyed reading this book!!!Von SchwoobPJA nailed it. I loved reading Kate's story. She is a lovable and sweet protagonist. Hugh is hot, hot, hot....and all the other characters in this story are really funny. I did laugh a lot. I wish the story was longer though, I barely got used to the characters

when I finished reading. Nevertheless, can't wait for the next book.

Kurzbeschreibung Going back to the little Texas town where she grew up seems like the perfect plan for Kate. After catching her fianc in flagrante with their neighbor, she only wants to put distance between herself and her life in L.A.s bustling chaos. The fact that her grandmother bakes the best cakes in the world is only further incentive to return to Hailsboro for some tender loving care. But as soon as she arrives, she finds herself at the center of the small towns rumor mill as a host of gossips assume she's flirting with the high school football coach, Hugh Lindsay. Of all people! Her childhood best friend, who was not only her first kiss, but also her first for other things including her first heartbreak. Kate soon discovers that first love is like a cake recipe. It doesnt always work out on the first attempt, but the second time around, it has the potential to be delicious. Check out Poppy's the Boston 5 Series: Book #1: The Heat is On Book #2: Blast from the Past Book #3: More than a Feeling Book #4: All Tied Up Book #5: A Matter of Trust Editorial s: "I loved every little bit of the story." reviewer "Excellent story and a quick read.
