Von Carla Kelly : Libby's London Merchant: Signet Regency Romance (InterMix) before purchasing it in order to gage whether or not it would be worth my time, and all praised Libby's London Merchant: Signet Regency Romance (InterMix):

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich.

Wonderful and unexpected Von Muggeli Finally a book I can wholeheartedly rate with five stars! After reading a lot of regency novels (my secret vice), you tend to know all the plots. And then, all of a sudden, you don't! Rich rakish duke meets poor beautiful innocent girl. They fall in love. And then it gets interesting. The girl has another prospect, the clumsy doctor. Ridiculous, of course. And then it gets interesting. The book was filled with lots of likeable characters. Even the servants get to speak... And heard! No villain, really. And yet, the story had me read past my bedtime ;)

Another thing I really appreciated: no sex. No wasted pages of lusting after one another. I often wonder how these people get anything done the way they are constantly driven to distraction by various pieces of anatomy. None of that ridiculous nonsense here. Yes, they appreciate each other's good looks, but that's sufficient. Ok, Carla Kelly, I will become one of your regulars. Just one little thing to criticize: my "favorite" grammatical error, the unwillingness to use the word 'me', even when it would be correct. Example: give this book to you and I. Wrong! Give it to ME. Therefore, give it to you and me. Tip: if you're not sure whether to use I or me, try he or him. It'll make it clear. Getting off soapbox now. Going to read the next Carla Kelly. :)

Kurzbeschreibung An engaging Signet Regency Romance of mysterious suitors and surprising secrets from the the powerful and wonderfully perceptive* Carla Kelly... Available Digitally for the First Time Beautiful Miss Libby Ames knew little about the man who landed unexpectedly at her country manor. Only that he called himself Mr. Nesbitt Duke, a London merchant. And after one look at Libby, he claimed he'd fallen in love. But it was soon clear that this handsome stranger was not being entirely truthful. Arriving at Libby's doorstep was not fate, but rather an encounter of Nesbitt's own design. Furthermore, his position in life was far from that of a merchant. His name too was a lie. But his true identity was still not the greatest mystery. For Libby had no idea of the secret longings of her own heart or what to do next about the mystery man, and the passionate love that has taken her by shocking surprise.* New York Times bestselling author Mary Jo Putney
