Go get #Licked!Von Bianca @BJsBBRyleigh is in her late twenties, lives in LA, and runs a very successful specialty Ice-Cream shop!Her ice cream creations and boozy shakes all have very sexy (dirty!!!!) names and because business is really good, she's ready to expand. To win a TV show where her shop

could be made into a country-wide franchise thing, she needs to renovate the place she just bought next door. But her builder-guy was a complete idiot that's where hottie McHottie comes into the picture. Hunter. He's best friends with Ryleigh's high school crush Cameron. And she has to meet Hunter now...NOW? After she and Cameron talked and flirted for the first time EVER at their 10-year high school reunion? (There might even have been some naked sexual touching involved that night too! But probably not the kind you're thinking of now.) But now that Cameron had to leave for business, and Hunter is at her shop all day - grrrrr. No guy for years and now two at once???? WHAT WILL HAPPEN WITH RYLEIGH??? WHO WILL SHE CHOOSE???? WILL THERE BE A HAPPY EVER AFTER??? WILL THERE BE A CLIFFHANGER??? NOPE..... I'm not telling you

I REALLY LOVED THE BOOK! It was such a funny and refreshing romance. Ryleigh is so cute and totally not like other girls her age, or any age. She wanted Cameron for ever! And now Hunter comes along and makes her question her life-long crush. It's not really a love triangle thing, if you're afraid of that - because I don't really love those either - like most readers. #LICKED this really cute and amazingly funny Los Angeles Romance. With so many laugh-out-loud moments. Sexy moments - flirty moments - adorable moments - even a few moments where I must've gotten something in my eye I just loved it! RYLEIGH HUNTER: SUNNY, FUNNY, SEXY ADORABLE HURRY TO AMAZON GET #LICKED! I can't wait to read about Ryleigh's friends in the next books in the series - there's LOTS of potential for amazing stories!!!! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Super Cool Backdrop Von Toni HLicked has a super cool and original setting. Ryleigh Phillips owns an ice cream shop. It's not just any old frozen treat parlor though. She mixes dessert and alcohol and gives the delightful results suggestive double entendre names. Ryleigh also decorates in super cool retro and dresses in rockabilly and swing. I totally dug the work environment and fashion. Ryleigh has lots of girlfriends always coming around discussing their jobs, men and gossip in their lives. Some of the talk is of Ryleigh and her two men dilemma, and of course her love life is a major part of the plot. Sundaes, shakes, liquor, sex and dress up make it a very chick-friendly read. One of my favorite parts is the uniqueness of the ice creamery backdrop.

Kurzbeschreibung As the owner of Licked, an eclectic ice creamery and bar, Ryleigh Phillips doesn't have time for that love stuff. Serving up Nibble My Nuts sundaes and Drunken Sailor boozy shakes are as close to an orgasmic affair as she's had in months thanks to her expanding empire until the night of her ten-year high school reunion. When Ryleigh's crush, gorgeous ex-football god Cameron Mathis, comes streaking into her life (literally streaking), she begins to wonder if she really can have it all. Wouldn't it just figure that the moment you think life is perfect is when it falls spectacularly apart? Enter Hunter Morgan, the contractor in charge of Licked's renovations. Devastatingly handsome, and a smartass to boot, he's got his eyes on Ryleigh from the moment he finds her passed out on his couch (yeah, that's a long story). There's just one tiny complication he happens to be Cameron's best friend. When the lines between relationships and friendships blur, and it's impossible to choose between two delicious flavors, what's a girl to do? Taste a sample of each? Or go out and get LICKED? *Each book in the L.A. Liaisons series can be read as a standalone novel. *Kurzbeschreibung As the owner of Licked, an eclectic ice creamery and bar, Ryleigh Phillips doesn't have time for that love stuff. Not much has changed except for the espresso I.V. pump she now carries around and the size of her onesie pajamas. She is the author of Flash Point, a romantic suspense standalone, as well as the co-author of the erotic series, A Desperate Man, with Ella Frank. The latter has scarred her conservative southern family for life, bless their hearts. Licked, a romantic comedy, will be released November 11th, 2015 and is the first in the L.A. Liaisons series. If you'd like to get in touch with her, she's easy to find - just keep an ear out for the Rick Astley ringtone that's dominated her cell phone for ten years.
