**Von James Buchanan : Light Me Up (A Deputy Joe Novel Book 40) (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Light Me Up (A Deputy Joe Novel Book 40) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Nice but not memorable. Von LenaRibka I'd lie if I say it is an absolute MUST READ for all Deputy Joe fans. I would even

suggest you to skip this one. Not just because it was EXTREMELY short. But it was extremely about well...nothing. I expected more from Kabe's POV. It was a bit disappointing. I didn't really enjoy it. I can imagine that this short novel was a gift for all fans BEFORE the book3 was released. As a tasty appetizer for a MAIN COURSE - Joe's POV. But if you read it now, when you don't need to wait for the book3, it is more like an unnecessary ballast on the way there. Nice but not memorable.

Kurzbeschreibung Two hot guys and one cold mountain. Just how far can mouthy, yet submissive, Kabe push his favorite deputy, Joe, before he gets what he really wants? The Christmas tree may be the goal, but it's not the prize. Walk in Kabe's boots for his and Joe's first Christmas together. Kurzbeschreibung Two hot guys and one cold mountain.
