Von Christine Wright : Light Years Away (Mated to the Captain Book 1) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Light Years Away (Mated to the Captain Book 1) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Need more... I am addicted! Von witchflame This book is one of the best I read this year...and I read a lot. Del is really cute

and I can understand that he is scared as he finds out he is mated to Quinn. By the way...I want a Charon for myself. Quinn found his mate but has hell of a ride in front of him till Del might accept his claim. I cannot wait for book 2... more action.. more of the Xolians... more of those wonderful world Christine created. Thank you for those great book. One of a few I even ordered as a paperback...one of a few I need on my shelf.

Kurzbeschreibung Unemployment is stressful enough but throw in the threat of being tossed out the space stations airlock as a vagrant, and human Del is in desperate need of employment. No job, no place to stay, Del wants nothing more than to be back out amongst the stars, preferably as a bridge crewmember. Trouble is, his dreams are bigger than his starship experience and years, and Del finally heads to a bar to drown his frustrations. Getting drunk might not have been the smartest thing to do as he wakes in a strange, handsome aliens bed, with no memory of the night before. When that strange alien calls him mate, Del thinks that maybe all his problems are over. He finally has a job. Or does he? Quinn wants love and a family, but his duty as captain to a Xolian space cruiser leaves little time for forging relationships. When drunk and adorable human Del propositions him in a space bar, begging to be his first mate, Quinn hopes that maybe he can have both duty and love. Until the next morning, when the alcohol wears off and cultural barriers and misunderstandings set off a chain reaction of mayhem, mischief, and trouble that follows Del wherever he goes. A relationship that began as a mistake may become something more bound by love and desire, and all they must do now is survive the journey. **Gay sci-fi romance featuring a sassy human, an irascible alien captain, and adventure beyond both their dreams.**
