Funny book with a unique plotVon KleeNot your ordinary perfect guy meets perfect girl story, which makes it a nice change.One thing I normally don't like about American books are the always clean-cut, perfectly idyllic writing style,

which always makes them less believable to borderline boring. And this book is far from it - it's very funny, but not tiring joke-after-joke funny, but in a quirky, young way. It actually doesn't happen too much in this book, the relationship between Kat and Tristan just develops very, very slowly. Yet, it doesn't get boring, it makes you want to just continue with them in their journey. Only recommended, if you don't mind lots and lots of swearing and foul-mouth talking. But that's what makes it so much fun to read. 0 von 0 Kunden fanden die folgende Rezension hilfreich. beautiful story Von Kundewhat a great style of writing! i had to laugh out so much or just kept smiling! keep on writing please.... 2 von 2 Kunden fanden die folgende Rezension hilfreich. Erfrischend anders Von reader Endlich einmal eine Romanze, die sich langsam entwickelt. Der Leser kann mitfühlen, leiden und besonders lachen über witzige Dialoge und Szenen. Sehr schön auch die Interaktion mit Freunden/innen, so dass die Geschichte nicht auf die beiden Hauptpersonen beschränkt bleibt. Genauso sind auch Mariana Zapatas anderen Bücher konzipiert: langsames Kennenlernen mit Hindernissen, dann Happy End.

Kurzbeschreibung Most people would describe Katherine Berger as a responsible girl with a big heart, a loyal friend who takes care of those close to her, and the possessor of a wicked sense of humor. There was something about her that most people didn't know. "My name is Kat Berger, and I love porn." When twenty-five-year-old Kat is dragged to a porn convention by her best friend, she's both embarrassed and nervous. The last thing she ever expected was to meet someone who makes her laugh like no other. This is a story about acceptance and friendship, and a love born out of the most unexpected of places. *Previously released with a different cover.*
