Von Jenny Colgan : Little Beach Street Bakery (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Little Beach Street Bakery (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Ich konnte das Buch kaum weglegen - schne GeschichteVon EntchenWieder eine schne Geschichte von Jenny Colgan, die an einem ungewhnlichen Ort spielt.Pollys zieht aus Geldnten in einen kleinen Ort Cornwalls, der fast eine Insel ist. Sie

fngt dort an zu backen und findet so zu sich selbst. Die Charaktere sind einfach sympathisch, wenn auch manchmal etwas frustrierend. Aber gut, sonst wre es mit der Liebe auch etwas zu einfach. Ich konnte das Buch kaum weglegen, habe bereits den zweiten Teil gekauft und wrde am liebsten selber Brot anfangen zu backen. :) 0 von 0 Kunden fanden die folgende Rezension hilfreich. Very Enjoyable Read Von h137 The characters are believable and the dialogue is well written. The reader can well imagine living in this town and meeting these people. There are turns of events that are unexpected and development of the main characters that I really enjoyed. If you are looking for a nice, light book to read, I highly recommend this one. 2 von 2 Kunden fanden die folgende Rezension hilfreich. Nice and easy... Von Mona Queensummer read. The language isn't high-flown, but the plot is delightful and lovely. I could imagine the seaside village off the coast and I liked the weather descriptions as I know the Cornish weather very well :) I recommend this book :)

Kurzbeschreibung Polly Waterford is recovering from a toxic relationship. Unable to afford their flat, she has to move miles away from everyone, to a sleepy little seaside resort in Cornwall, where she lives alone above an abandoned shop. And so Polly takes out her frustrations on her favourite hobby: making bread. But what was previously a weekend diversion suddenly becomes far more important as she pours her emotions into kneading and pounding the dough, and each loaf becomes better and better. With nuts and seeds, olives and chorizo, with local honey (courtesy of local bee keeper, Huckle), and with reserves of determination and creativity Polly never knew she had, she bakes and bakes and bakes . . . And people start to hear about it. Sometimes, bread really is life . . . And Polly is about to reclaim hers. **Pressestimmen** Cheery and heart-warming escapism (Sunday Mirror) We love Jenny Colgan's books, but Little Beach Street Bakery is definitely one of our favourites, utterly charming, atmospheric and brilliantly written it will captivate you and keep you totally absorbed until the very end. We loved it! Highly recommended! (Hot Brands, Cool Places) This delightful novel will make you feel warm inside - it makes a fab Mother's Day gift (Closer Magazine) I'm definitely going to be re-reading this fantastic book. A really lovely story and the perfect summer escapism (Essentials Magazine) **Werbetext** Can baking mend a broken heart? From the bestselling author of Meet Me at the Cupcake Caf comes this deliciously funny, heartwarming and utterly inspirational new novel
