Pressestimmen "The Addicted series is by far the most memorable and my most favorite series ever. Each book has something special about it. Each character and couple I love completely in their own way." - Book Babes Unite "Exhilarating yet heartbreaking, I dare you to not fall in love with this read. The Ritchie twins have brought their A-game to greater heights by delivering the perfect conclusion to this epic saga." - The Reading Escapade "I laughed, I cried, and by the end of this book I was fulfilled. It really does feel like the end of an era." - Rachel Reads Ravenously "This is one of those series that I wish it would never end. I feel the same sadness I felt when Friends went off the air. It was the perfect conclusion, but I could have watched that show forever." - Reading Is Sexy "Amazing characterization, social issues discussion, banter, comedy, gritty and addictive plot, romantic, unexpected, indescribable. This NA series is one I'll cherish forever." - A Perfection Called Books
