telling stories. It gets you hooked right away and you won't be able to put the book aside until you finished the last page of it. Gwendolyn Pierce is an eccentric and very special individualist who makes gourd art and you will already recognize her and Rick from the previous books. She is keeping a big secret from all of her friends, but doing a private investigator does not seem like the best way to hide anything, especially not anything that major. Since the sparks were already obvious in the previous books this story seemed to develop even quicker than the ones before, which is just perfect since that leaves lots of room for hot and steamy scenes that will keep you warm at night or make you smile like a fool when reading in public ;-). I don't even want to start thinking about what people must have thought of me sitting in the train grinning like a lunatic and even laughing out loud at times. Ms Perry just has her way of lighting up your days and nights with her much too short stories with characters you have to love and storylines that won't exactly surprise you but make you feel good and never disappoint you! Another big recommendation for rainy days without any plans (that you would have to postpone anyways after picking up this masterpiece of contemporary romance) 0 von 0 Kunden fanden die folgende Rezension hilfreich. gute Geschichte Von Waltraud S. Interessant geschrieben, aber leider ein sehr abrupter, schneller Schluss. Wre interessant zu wissen, wie es mit der Familie weitergeht, d. h. es bleiben viele Fragen offen, die man in einem zweiten Teil beantworten knnte. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Kurzbeschreibung "Perry is a storyteller, weaving magic wherever she goes, much to the delight of her millions of fans." The Literary Shed Gwendolyn Pierce has a secret. A big secret. No one knows that the gourd artist is really the missing wine heiress who ran away fourteen years before. And that's the way Gwen likes it. No paparazzi recording her every mistake, no stern family disapproving of her life. She has her art studio in Laurel Heights and lives in peaceful bliss. Until she meets Rick Clancy. The last person she should get involved with is a private investigator who finds her as suspicious as he does sexy. Only she can't help herself, and she can't help wondering if she can trust him with her secrets and her heart. Fall in love with the entire Laurel Heights series: Book 1: PERFECT FOR YOU Book 2: CLOSE TO YOU Book 3: RETURN TO YOU Book 4: LOOKING FOR YOU Book 5: DREAM OF YOU Book 6: SWEET ON YOU Book 7: TAMED BY YOU Book 8: HERE WITH YOU Novelette: ALL FOR YOU Book 9: MAD ABOUT YOU Book 10: LOVED BY YOU Novella: WRAPPED IN YOU ABOUT KATE: Kate writes about hope, and dreams, and the bonds of friendship and family. Her acclaimed novels have been #1 bestsellers around the world, and her books have been translated into several languages. All her stories feature sassy, independent women who just want love and earthy men full of heart who are more than able to rise to the occasion.
