Von Jill Monroe : Lord of Rage (Mills Boon Nocturne) (Royal House of Shadows, Book 2) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lord of Rage (Mills Boon Nocturne) (Royal House of Shadows, Book 2):

KurzbeschreibungOsborn: The Dark Warrior Princess Breena is plagued by strange powerful dreams visions of a warrior lover. Shes never believed them true until she is taken from her home and cast into a dark, dangerous realm. Wandering this terrifying new world she encounters a mysterious woodland cottage and the enigmatic stranger who haunts her dreams.Osborn, a dark warrior who has lived in hiding since his family suffered a vampire attack, is instantly captivated by Breena and intent on seducing her. Yet Breena needs his protection more and the supernatural skills he has long buried to bring vengeance upon those who took her kingdom.KurzbeschreibungOsborn: The Dark Warrior Princess Breena is plagued by strange powerful dreams visions of a warrior lover.
