ein Paar, gehen aber fuer kurze Zeit getrennte Wege. Pia reist in diplomatischer Mission zu der Dunklen Feen und Dragos sucht neue Mitarbeiter fuer seine Garde (zwei seiner alten Freunde sind ihm abhanden gekommen...) In der Elfenwelt geraet Pia in den Strudel eines gewalttaetigen Konfliktes und Dragos muss aktiv werden, um seiner geliebten Frau zu helfen. Aber er ist ja bekanntermassen in der Elfenwelt keine gern gesehene Person. Die Handlung ist spannend und interessant bis zum viel versprechenden Ende. Freue mich schon auf die weiteren Baende mit den beiden.

Dragos Cuelebre, Lord of the Wyrkind, has been mated to Pia Giovanni since last May. In his human form Dragos is intimidating enough, but when he shifts into his massive dragon form he is downright frightening. Well, except to Pia. Her Wyr form may not be a dragon, gryphon, harpy, or anything that would ever strike fear into her enemies, but her form is rare and would inspire awe. And no matter what form Dragos is in, Pia's human form can (and does) stand up to him. As the book opens, Pia is en route to South Carolina. Her mission is to repair the Wyr treaty with the Elven Lord. But Pia also hopes to have a nice visit and perhaps hear some stories about her late mother. When Pia arrives she learns that Elven High Lord Calondir is not home. Beluviel, his consort, invites Pia and her Wyr bodyguards to travel with her into Lirithriel Wood, where Calondir is meeting with an emissary from Numenlaur. (Numenlaur is the Other land connected to Europe and the seat of the oldest Elven demesne in the world.) Meanwhile back home, Dragos is overseeing the Sentinel Games. Dragos lost two of his seven sentinels in quick succession last summer. The Games will determine the seven mightiest Wyr to be in his elite group of Sentinels. The five current sentinels must also compete in order to prove themselves worthy to remain in their positions. The Sentinel Games are brutal. Much as the gladiators in an arena, the Wyr duel each other until, by the week's end, only seven remain. The battles are not to the death, but no every participant survives. When Dragos is unable to reach Pia via dreamwalking, he must decide on whether to wait for Pia to contact him another way (and fear for her safety the entire time, or again break the Wyr/Elven treaty that she is trying so hard to repair. Once they are reunited, everyone learns that an ancient power is being used which may destroy everything. To have any chance of defeating their common foe, Wyr and Elf must fight side-by-side and somehow learn to trust each other. **** FOUR STARS! If you have not read the previous titles in the series, you will still enjoy this story. However, I urge you to read them prior to opening this book because (most of) all the previous main characters have at least a small cameo to play in this episode. Pia's Wyr form is not revealed in this tale either, so if you did not read the first book (Dragon Bound) you will remain in the dark. My main problem with this story is how the common enemy of the Wyr and Elves is defeated. Most of the story builds up the tension as it explains the powerful device and its mighty user. After all, two armies have to unite against it and many warriors die. Yet its defeat is easy. Way too easy. Other than that, the story is awesome! For those wondering, Pia does deliver her baby in this story. But that is all I can say about it. Perhaps he will get his own story told someday. Come to think of it, I would not mind reading Quentin Caeravorn's either. **** Reviewed by Detra Fitch of Huntress Reviews.

Pia und Dragos- die Fortsetzung Von Miss Lillie Da ich Dragon Bound erst vor kurzem entdeckt habe, ist es fr mich nicht eine lang ersehnte Fortsetzung, dafr aber eine heigeliebte. Ich gebe zu, dass ich die anderen Elder Races Bnde alle bersprungen habe und nur die beiden Bnde ber Pia und Dragos gelesen habe, weil ich die Geschichte um die beiden so schn finde. Und genauso schn geht sie auch weiter- Thea Harrison hat in diesem Band auf wundervolle Art und Weise herausgearbeitet, wie sich die Beziehung der beiden Wyr vertieft und wie sich ihre Ansichten auf die Welt verndern. Natrlich kommt sie Spannung dabei nicht zu kurz, denn schliesslich sucht Dragos Ersatz fr Rune und Tiago, whrend Pia bei einem Besuch bei Beluviel versucht, die Beziehungen zwischen den Wyr und den Elfen zu verbessern und ber allem hngt die Prophezeiung, wie ein Damoklesschwert.

Kurzbeschreibung In the latest Novel of the Elder Races, two mates find themselves on different paths, torn between their duty to the Wyr and the passion that binds them. Before she met Dragos, half-human/half-Wyr Pia Giovanni was alone and on the run. Now she's mated, pregnant and heading south to repair the Wyr's frayed relationship with the Elves. Being separated from Dragos is painful, but for the good of the Wyr demesne they need to figure out how to be partners in more places than just the bedroom. In New York to preside over the Sentinel Games, Dragos is worried about his mate, but knows that finding two replacement sentinels is essential to show the rest of the Elder Races just how strong and brutal the Wyr demesne can be. But as the Games heat up, Pia's negotiations with the Elves take a turn for the dangerous, straining her bond with Dragos and threatening everything they hold dear.
