Von Colleen Hoover : Losing Hope: A Novel (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Losing Hope: A Novel (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 4 von 4 Kunden fanden die folgende Rezension hilfreich. 4,5 Sterne für Losing Hope Von Christian R./ *Anja R.* Ich würde gern 4,5 Sterne vergeben, aber leider geht das nicht. Als großer Colleen Hoover Fan war ich sehr gespannt auf dieses Buch. Ich habe schon ihre Bücher Slammed Point of Retreat, This Girl: A Novel und Hopeless gelesen. Slammed und Point of Retreat bekommen von mir 5 Sterne, This Girl und

Hopeless "nur" 4. Die 4,5 Sterne daher für dieses Buch, da es mir besser gefällt als Hopeless aber nicht so gut wie Slammed;-) An Slammed kommt für mich fast nichts anderes heran. Aber nun zum eigentlichen Buch Losing Hope. Losing Hope ist die Geschichte von Hopeless aus der Sicht von Holder. Hopeless wurde ja aus der Sicht von Sky geschrieben. Ich rate also jedem, zuerst Hopeless zu lesen. Dieses Buch bietet unglaublich mehr an Hintergrund Geschichte von Holder. Diese ist wunderschön geschrieben, wie alle Bücher von Colleen Hoover. Es fesselt einen beim Lesen und selbst wenn man Hopeless schon kennt, hängt man bis zuletzt an jeder Seite des Buches. Ich möchte nicht zu viel verraten und nicht auf inhaltliche Details eingehen. Aber ich empfand das Buch zum Teil atemberaubend, herzerreißend und ich war oft den Tränen nahe. Es ist wirklich sehr gelungen und es lohnt sich! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Great addition to Hopeless Von Eva Quiring You should read Hopeless by Colleen Hoover before. After that it's a great addition! It is written from Holder's perspective and gives many new details about the whole story! 1 von 1 Kunden fanden die folgende Rezension hilfreich. meaningful novel Von Pseudonym It's not an meaningless, useless love story like so many other. It gets you to think and has many facets, love, friendship and death..

Kurzbeschreibung Sometimes in life, in order to move forward you must face the past #1 New York Times bestselling author Colleen Hoover held readers spellbound with her novel Hopeless, the story of what happened when a troubled girl named Sky encountered a long-lost childhood friend, Dean Holder. With Holder's help, Sky uncovered shocking family secrets and came to terms with memories and emotions that had left deep scars. Hopeless was Sky's story. Now, in Losing Hope, we finally learn the truth about Dean Holder. Haunted by the little girl he couldn't save from imminent danger, Holder's life has been overshadowed by feelings of guilt and remorse. He has never stopped searching for her, believing that finding her would bring him the peace he needs to move on. However, Holder could not have anticipated that he would be faced with even greater pain the moment they reconnect. In Losing Hope, Holder reveals the way in which the events of Sky's youth affected him and his family, leading him to seek his own redemption in the act of saving her. But it is only in loving Sky that he can finally begin to heal himself.
