summerhillVon V. FoxI was really glad when I discovered the summerhill novels from kate perry after going through her laurel heights series. It continues on the same high level of entertainment. thank you very much for all your great

books.

Kurzbeschreibung "Perry is a storyteller, weaving magic wherever she goes, much to the delight of her millions of fans." The Literary Shed Portia Summerhill feels like a loser. Thirty-something, jobless, and living at home How could she not? Next to her accomplished sisters, Portia's achievements or lack thereof are that much more noticeable. The one thing Portia can claim is expert knowledge on antiques and her ancestry, and in a moment of serendipity, the perfect job lands in her lap: curator at the Museum of British Peerage. There's one caveat: the museum won't hire her unless she brings the family jewels with her. Or, more specifically, the infamous Summerhill tiara. Except a cowboy hotelier stands between her and her tiara. Jackson Waite needs help getting his newest posh hotel launched and, luckily for Portia, he's willing to make a trade. If she helps him meet the deadline for his new resort, he'll give her the tiara. Only, the more time she spends with Jackson, the more Portia wonders if she wants the tiara or the man keeping it from her. The Summerhill series, a modern Downton Abbey: Book 1: SAY YOU WILL Book 2: LOST IN LOVE Book 3: LET'S MISBEHAVE Book 4: STAY THE NIGHT Book 5: ONCE UPON A DREAM Book 6: HOW SWEET IT IS Book 7: GIVE A LITTLE ABOUT KATE: Kate writes about hope, and dreams, and the bonds of friendship and family. Her acclaimed novels have been #1 bestsellers around the world, and her books have been translated into several languages. All her stories feature sassy, independent women who just want love and earthy men full of heart who are more than able to rise to the occasion.
