Kurzbeschreibung Jillian Marks can't remember the last four weeks of her life. She's being stalked by a wolf shifter named Mac who claims they're in a relationship, yet she has no memory of him. Mac knows a lot about her, most importantly that she's half wolf. Jillian discovers that the life she had is gone and that someone is on the hunt for her. With Mac's help, Jillian will discover what her memories have concealed from her and why. This is the first installment in a paranormal romance series with shifters. For adults only.
