read it from beginning to end and when I finished I read it again. I love it!!! The characters came to life for me, there was plenty of steamy erotic moments and the book was loaded with romance. It was because of this book that I started buying anything with the name Sandra Brown on it. Top marks!!!4 von 7 Kunden fanden die folgende Rezension hilfreich. A must Sandra Brown read. Von Ein KundeI've read all of Sandra's books and I put this right up at the top of her best. This book is only seconded by Sandra's MIRROR IMAGE. A must read for any romance reader. Jason Manning is what dreams are made of.3 von 7 Kunden fanden die folgende Rezension hilfreich. Very Sweet Von Ein KundeThis was a good book, but typical. It wasn't one of Sandra's best, but it was still Sandra. Towards the end, it got surprisingly interesting and kept me going until the sweet ending.

Kurzbeschreibung Katherine Adams said she'd never make her sister Mary's mistakes. Mary's fairy-tale marriage into the wealthy, powerful Manning dynasty had turned into a nightmare of abuse. Then, on the night her playboy husband was killed in a car accident, Mary died in childbirth. Now savvy, smart, and very angry Katherine vowed to never let a Manning, any Manning, near Mary's child -- not even the dashing, charismatic oil man who showed up at her door. Katherine wanted to believe Jason Manning wasn't like his ruthless family. But secrets and lies were part of his heritage. And Katherine could be destroyed by a truth she was afraid to face...and a man she could not resist.
