Schöne Geschichte und dazu noch in Paris - was will man mehr :)Von EntchenWie immer bei Alexandra Potter passiert auch hier wieder etwas Magisches. Dieses Mal sogar schon fast glaubwrdig. War schn zu lesen und natrlich sehr romantisch mit zwei Liebesgeschichten. Paris als Schauplatz macht das ganze perfekt.0 von 0 Kunden fanden die folgende

Rezension hilfreich. Oh Paris, j'adore Von Sabrina Krhling I bought this by accident and it's perfect. Exciting. Different. Romantic. Page turner. Love really is different for everyone. Love it! 1 von 1 Kunden fanden die folgende Rezension hilfreich. magical, fun, addictive and most of all romantic ! Von Leynaonce in a while you happen to stumble upon a story that is so breathtakingly well-written you can't avoid falling in love with it ! This is exactly what happened to me while reading this book... I fell in love! First of all I really liked Ruby as the main character, she's really relatable and I felt instantly sympathetic to her! But what really melted my heart was the love between Emmanuelle and Henry... I love how Alexandra Potter linked everything in the end, I don't want to reveal too much, all I can say is that she mentions seemingly 'unimportant' things during the story which actually play a crucial and important role at the end of the novel !! I could go on like this for days, but to sum it up: if you want to laugh, cry, experience a love that is heartwarming and sad at the same time, explore and fall in love with Paris READ THIS AMAZING BOOK

Produktbeschreibung How far would you go for love? When new boyfriend Jack stands her up at the airport, Ruby Miller dries her tears, jumps on the Eurostar and heads to Paris. She thinks she's going there to visit an old friend and have a total break from romance. But the City of Love has other ideas. A locked apartment where time has stood still, a bundle of long-lost love letters and a flirtatious French lawyer sweep Ruby into a mystery that spans over seventy years. Who is the author of the letters? Why did the owner of the apartment close up the shutters and flee Paris before the war, never to return? And what secret was she hiding? As the mystery deepens, Ruby turns love detective but it's not long before the ghosts of the past throw her own love affair into jeopardy. From the bestselling author of *Me and Mr Darcy*, this magical romantic comedy is for every girl who has ever dreamed of the glittering lights of Paris and of a love that lasts a lifetime . . .
