Von Julie James : Love Irresistibly (FBI/US Attorney Book 4) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Love Irresistibly (FBI/US Attorney Book 4) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 4 von 4 Kunden fanden die folgende Rezension hilfreich.

Unterhaltsam und lustig- einfach perfekt Von -Kunde Julie James hat es wieder einmal geschafft, einen tollen Roman zu schreiben. Er erzählt die Geschichte von einer Juristin (Brooke), die in einer Firma arbeitet und einem Staatsanwalt (Cade), der früher Football-Star war. Beide sind eigentlich nicht geschaffen für eine Beziehung, doch zusammen sind sie perfekt für einander. Wie die beiden das erkennen, das ist eine sehr amüsante, sehr gut erzählte Geschichte. Ich konnte wirklich lachen und war zum Schluss auch zu Tränen gerührt (das ist ein Teil von Cades Geschichte), weil bei Julie James immer viel mehr dahinter steckt, als bloss eine Liebesgeschichte. Was ich toll finde ist, dass ich keinen Handlungsstrang für unrealistisch halte, alles ist im Hinblick auf die Charaktere logisch erzählt! 0 von 0 Kunden fanden die folgende Rezension hilfreich. When one subconscious finds another irresistible Von Stefanie I am really waiting for the announcement that the books of Julie James will be made into films, because they are so incredibly great, they or more precisely Julie would deserve it. Love Irresistibly is no exception from that. Julie has such an amazing style of writing her books. When it comes to dialogues, there is no greater, funnier and more imaginative author than her. She manages it that you want to be friends with her characters only because of the way they talk. Like Kyle and Rylann's story (About that night) this book in the FBI/U.S. attorney series plays on a more emotional and less dangerous level than the first two, because there is no further subplot about a criminal, it's just about the stories of Brooke and Cade resp. their shared story. Well, of course they met through their work, but the part about the corrupt politician is only a small one. Like in the other books of the series, there are some reencounters with former protagonists of the FBI/U.S. attorney series like Rylann, one of Cade's colleagues at the U.S. attorney office, and his boss Cameron along with Jack from 'Something about you'. I really like it to read how their single stories progressed after the end of 'their' books, especially because Julie interweaves them so smoothly into the new plots. There are not enough words to describe Julie's characters, for starters I'd say authentic, witty, savvy and charming. I guess you can see what my point is ;-)

The heroine of the book is Brooke Parker, general counsel of Sterling Restaurants, a successful Chicagoan Restaurant company, who has always worked very, very hard to get where she is, so she absolutely deserves her success. But as successful she is in her job, she is the perfect example for the cliché, that workaholics totally fail when it comes to relationships. No better in relationships is Cade Morgan, a former quarterback and now high-flying Assistant U.S. Attorney, who is fighting hard against corruption in politics. Readers of 'About that night' already know him as the prosecutor, who called Kyle Rhodes a 'cyber-menace to society' in the trial of Kyle's case. The relationship between Brooke and Cade turns throughout the book from sizzling tension to hot passion to love and it was so cute to read how they more and more open up to each other, which is the first time for both of them to do so. The turning point was at the same time dramatically sad and also very heart-warming, if you've read the book, you'll know what I mean. But nonetheless the story always stays realistic, you won't think once 'That's too farfetched, to still be believable!'. Julie James simply knows how it's done because her books are exactly how contemporary romances should be: D

FBI/U. S. attorney series: Something about you A lot like love About that night Love Irresistibly It Happened One Wedding (release: May 6th) Bottom line: To cut a long story short, if you don't want to be caught sighing, laughing out loud or calling out things like 'WHAT?!' or 'No way!', you better don't read the book in public, but you definitely should do read it! 0 von 0 Kunden fanden die folgende Rezension hilfreich.

kurzweiliges Lesevergnügen Von Nefret Ihre erste Begegnung haben Brooke und Cade, als der stellvertretende Staatsanwalt die Anwältin bittet, bei einer Abhörung zu kooperieren. Danach kreuzen sich ihre Wege wieder und die Funken sprhen. Die meisten Leserinnen werden Cade bereits aus früheren Bchern kennen, wie z.B. "About that Night". Nun wird auch er verkuppelt. Der Witz und Esprit ist wieder da. Bei den letzten Bchern Julie James hatte ich dieses ein wenig vermisst. Aber in "Love Irresistibly" stimmt die Chemie zwischen Brooke und Cade, die beiden geben sich nichts. Zum Glück gibt es nicht viele Nebenkriegsschauplätze mit eher unwahrscheinlichen Verwicklungen, so dass Brooke und Cade tatsächlich viel gemeinsame Showtime bekommen. Beides sind sympathische und interessante Figuren mit glaubwürdigen Problemen. Brooke ist ein Workaholic und Cade hat Bindungsprobleme, da sein Vater während seiner Kindheit mit Abwesenheit glänzte. Auch wenn "Love Irresistibly" nicht an "Practice Makes Perfect" - eines meiner Lieblingsbücher - herankommt, hat es viel Spaß beim Lesen gemacht.

Kurzbeschreibung HES USED TO GETTING WHAT HE WANTS A former football star and one of Chicago's top prosecutors, Assistant U.S. Attorney Cade Morgan will do anything to nail a corrupt state senator, which means he needs Brooke Parker's help. As general counsel for a restaurant company, she can get a bug to the senator's table at one of her five-star restaurants so the FBI can eavesdrop on him. All Cade has to do is convince Brooke to cooperate and he's not afraid to use a little charm, or the power of his office, to do just that. AND WHAT HE WANTS IS HER A savvy businesswoman, Brooke knows she needs to play ball with the U.S. Attorney's office even if it means working with Cade. No doubt there's a sizzling attraction beneath all their sarcastic quips, but Brooke is determined to keep things casual. Cade agrees until a surprising turn of events throws his life into turmoil, and he realizes that he wants more than just a good time from the one woman with whom he could fall terrifyingly, irresistibly in love. . .
