KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Fabulous:)Von Philomena(Cheekypee)What a fabulous story this is. It's a spin-off from the Mr White Series. Although I see it's recommended you read the other books first I haven't and I can honestly say while reading this I didn't feel I was missing anything by not reading them.The sexual tension through the first part of this was amazing. I've not read many M/M books so I thoroughly enjoyed it.This story had lots of lovely factors that I enjoy in a book. Love, family

relationships the sex:)I found this to be a lovely easy-reading romantic story with a brilliant ending. The last few pages is not what I expected.... It was better than I expected.The author did a brilliant job on this story. I'll definitely be looking into reading more of her work.Received from author in return for an honest review.
