itVon SD\_11The second in the Stiletto-series is Grace's story. After her boyfriend cheated on her, she's determined to stay away from men for a while. But her job at the magazine forces her together with sexy womanizer Jake Malone. Who turns out to be so much more than just hot. Their battle to the happy end is a sexy, funny and romantic read. I loved the two of them challenging each other and Grace's backup - the other three Stiletto-girls - are great again. The characters are realistic and interesting and it never gets boring. Great read

Jake Malone wants to get back to the fly-by-night, who-knows-whats-next guy he used to be, and he knows exactly how to do it. Oxford is adding a travel section, and Jakewith no wife and no kids and a willingness to live anywhere, eat anything, do everythingis perfect for the job . . . except that his playboy reputation makes his new editor nervous. To get the gig, he must agree to a fluffy joint article with Stiletto.
