**Von Emily Giffin : Love the One You're With** before purchasing it in order to gage whether or not it would be worth my time, and all praised Love the One You're With:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Tolle UnterhaltungVon C. KelerDies ist das erste Buch, das ich von Emily Giffin gelesen habe und ich finde es prima. Die

Geschichte spannend, unterhaltsam, witzig. Und weil mir das Buch so gut gefallen hat, habe ich daraufhin "Something borrowed" von Emily Giffin gelesen, was mir noch besser gefallen hat. Prima Autorin! 0 von 0 Kunden fanden die folgende Rezension hilfreich. easy to read, but not trivial Von AlexnBerni The novel is, in my opinion, somewhat long-winded, which is why I didn't give it 5 stars; but it treats its subject matter (love, lust, loyalty) thoughtfully and seriously but without being heavy-handed. The role that professional and wealthy - though not always at the same time) women play in American society is also lightly but not shallowly portrayed. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Eins meiner Lieblingsbücher Von Susanne Kaiser Emily Giffin hat eine wundervolle Erzählweise. Als ich den Titel des Buches sah, hat es bereits mein Interesse geweckt und als ich angefangen habe das Buch zu lesen konnte ich es nicht mehr weg legen. Eine wunderbar erzählte Liebesgeschichte wie aus dem wahren Leben. Tolles Buch! Love the One You're with

Kurzbeschreibung How do you know if you've found the one? Can you really love the one you're with when you can't forget the one who got away? Emily Giffin, author of the New York Times bestselling novels *Something Borrowed*, *Something Blue*, and *Baby Proof*, poses these questions and many more with her highly anticipated, thought-provoking new novel *Love the One You're With*. Ellen and Andy's first year of marriage doesn't just seem perfect, it is perfect. There is no question how deep their devotion is, and how naturally they bring out the best in each other. But one fateful afternoon, Ellen runs into Leo for the first time in eight years. Leo, the one who brought out the worst in her. Leo, the one who left her heartbroken with no explanation. Leo, the one she could never quite forget. When his reappearance ignites long-dormant emotions, Ellen begins to question whether the life she's living is the one she's meant to live. At once heartbreaking and funny, *Love the One You're With* is a tale of lost loves and found fortunes and will resonate with anyone who has ever wondered what if. From Publishers Weekly A chance encounter with an old flame in Giffin's bittersweet, sometimes mawkish fourth novel causes Ellen Dempsey to consider anew what could have been. Shortly after marrying Andy, Ellen runs into Leo, her intense first love. Leo, a moody writer, has secretly preoccupied Ellen ever since he broke her heart, so after seeing him again, Ellen wonders if her perfect life is truly what she wants or simply what she was expected to want. This scenario is complicated by Ellen's past: the early death of her mother and subsequent disintegration of her family have left Ellen insecure and saddled with unresolved feelings of guilt. These feelings intensify when Andy's career takes the newlyweds from Ellen's beloved New York City to suburban Atlanta. As Ellen's feelings of inadequacy and resentment grow, her marriage begins to crumble. The novel is sometimes bogged down by characters so rooted in type that they, and the story line, can only move in the most obvious trajectory. However, Giffin's self-aware narrator and focus on troubled relationships will satisfy those looking for a light women's lit fix. This excellent production brings out the best in the book." - Publishers Weekly I truly don't see myself ever getting tired of Giffin's books her characters are so authentic, the situations she puts them in are difficult by real, and the writing is very intelligent but funny at the same time The audio was done very well and I would definitely recommend this one. Book Addiction Rave reviews for *Baby Proof*:
