up to be one of my most favorite authors of all time. I will read every word this woman writes from now on and I'm positively sure that I'll highly enjoy every minute of it. *sigh* But I will miss Tristan. In fact, I miss him already. Maybe I should stop writing these damn review, go and re-read the trilogy right now. Alright. *deepbreath* I'm focusing...The book picks up where Rock Bottom has left us. But after this long hell of a blurb, I don't think I need to give you my own overview of the plot. I didn't have any difficulties diving right back into the plot.As always with my 5-fairy-rating books, I don't have much to say about it other than: it's perfect. Go read it now! Lilley pulled out all the stops and took us back on the rollercoaster ride that is Danika and Tristan's life. But this book was not just a copy of the first. And that is so very important, because many essential things have changed and the characters have been developed.Bad Things had been intense and sometimes dark, but overall funny and so sooo heart-warming. I fell in love with Tristan and envied Danika fall all her beauty and lightness (and dance moves). Rock Bottom then was a complete trainwreck of a book. It ripped my heart out of my chest, forgetting to stuff it back in and it made me hate my darling Tristan. You know how they say that love and hate are so close.Lovely Trigger now was quiet compared to the other books. It depicted the work that needed to be done for those to people to come to terms with their past. Many things had to be done, many conversations to be had. It was once again sweet and funny and I got my Tristan back which I'm forever grateful of. I loved that Danika and Tristan learned how to actually talk about things, about their fears and needs, instead of having hot-tempered sex all the time because their emotions, jealousy, angst or whatever else was running wild again. They've actually grown up and that's just the way it needs to be.Everybody who likes romance, hell everyone with a beating heart, should read these books. The author doesn't shy away from pain and puts the reader through hell but it'll be very worth the (reading) experience, trust me! The story of Tristan and Danika has come to a perfect end and I'm glad that I could be a tiny part of it by reading about it.0 von 0 Kunden fanden die folgende Rezension hilfreich. This book leaves you breathless!Von Cassandra5 Million stars review to follow...just need to gather my thoughts and emotions :D well, I'm still so thrilled over this book!It is such a wonderful end to the series. Tristan and Danika so deserve it!From the changes of POV, all the jumps in time to the special and important moments, to drawing the circles to the first books, to the beautiful writing of R.K. Lilley.Danika and Tristan haven't lost their chemistry. And it would have been surprising, if the fire wouldn't have been there...no matter what happened!Finally Tristan mans up and fights for what he wants! No one can be angry with Danika about her behaviour, you can feel her pain.And the HOTNESS between them? Well, these parts need a cold shower! And then you have the funny parts and you have the teary parts!This book leaves you breathless!Thank you R.K. LilleyP.S. You also meet all the other wonderful characters of Mrs. Lilley! :P0 von 0 Kunden fanden die folgende Rezension hilfreich. Die Serie ist der Hammer!Von LizSchon lange nicht mehr so eine gute Serie gelesen. Band 1 ist wunderschön: Freundschaft, Humor und Liebe. Band 2 ist hart: Drogen, Tod, Verrat und viel Herzschmerz. Band 3 gibt Hoffnung: trotz soviel harten Erfahrungen kann alles noch gut werden kann und die Liebe von Danika und Tristan ist nicht wirklich zu stoppen. Habe lnger gebraucht ber dieses Buch wegzukommen - immer ein gutes Zeichen!

KurzbeschreibungBOOK THREE: TRISTAN DANIKATHE IMPACTTristan hit rock bottom, and no one felt the impact harder than Danika. She was forced to see, in the most brutal of ways, that love does not conquer all. Bruised, bloody, and broken she had to walk away. THE AFTERMATHPicking up the pieces of your life after a tragedy is a daunting prospect, and thats considering you still own all of the pieces. But what if you dont? What if someone else owns those pieces, and those pieces are a part of your soul?You dig deep and work with what youve got. Thats what Danika told herself and believed, every single day, for years. Tristan and Danikas love had failed every test that life had thrown at them. She couldnt forget that, not for one second. And if those tests had been overly harsh, well, she wasnt one to wallow in self-pity. The failure was the thing she had to focus on. The failure was the lesson. She had no intention of working so hard to make it out of hell without learning that lesson well. THE REUNIONOver six years after the night that changed everything, Danika finds herself forced to spend the weekend constantly in Tristans company, as they attend the wedding of two of their dearest friends. Its been long enough that she feels they can be friendly again without it destroying her peace of mind, but just a small amount of time in his presence has her remembering something she had forced herself to forget: Thered been a reason shed gone through hell with this man, for this man, some true good to precede the bad. She shocks herself by quickly giving in to a hunger that she never imagined could still consume her. Even the best intentioned denial has a breaking point. THE HARSH REALITYAfter everything thats happened, the rise and the fall, the pain and the aftermath, can these two navigate the waters of acute regret, survive the trials of coming face to face with all that they have lost, and find the strength to try again? This book is intended for readers 18 and up.KurzbeschreibungBOOK THREE: TRISTAN DANIKATHE IMPACTTristan hit rock bottom, and no one felt the impact harder than Danika.
