Wards Brotherhood-vampire series proves to be excellent!!! I loved it from beginning to end! Fast-paced and action-packed this story didnt have a boring moment in it. With great

dialogue and many memorable scenes it carried the story forward at breakneck speed leaving me breathless and panting for more. Tough on the outside but tender-hearted on the inside these vampire warriors give paranormal romance lovers all they could wish for and then some! These vivid, compelling characters jump from the pages full-grown and make this vampire world utterly believable. I couldn't read fast enough but was crushed when it ended. I would have loved to read on forever!

**The story:** About a hundred years ago Rhage was cursed by the Scribe Virgin to hold a beast inside his body that comes out when he gets really angry. As a huge dragon-like creature he destroys everything in his path, friend or foe. That's why Rhage is in constant fear of hurting one of his brothers. The beast can only be held at bay by constant stress release through fighting or sex. Nicknamed Hollywood by the brothers because of his good looks he usually has no problem finding a willing female. But over the decades he's gotten bored with and also disgusted by the mindless, anonymous acts. Then he meets Mary and is immediately drawn to her, first of all to her voice that soothes him (and his beast) like nothing else ever has. Mary has first lost her mother to cancer and then gotten leukaemia herself. She has been healthy for two years but now it seems the disease is back. When she meets Rhage she can't understand why he's interested in her because she is no beauty and he is screen-actor-gorgeous. But Rhage is determined to have her, drawn to her strong will, sweet compassion and the brave way she handles her illness. When they get attacked by some Lesser Rhages identity as a vampire is revealed to Mary. He takes her to the compound of the Brotherhood to keep her safe from the soulless vampire hunters. But can he keep her safe from the danger that is within him? Because every time he wants to get intimate with Mary the beast wants to come out and being celibate is only making things worse. On top of that Mary won't let him get emotionally close because she knows how it is to see someone you love suffer and not being able to help. There's a second storyline about a young man, an orphan and a friend of Mary's, who doesn't know that he is shortly going through the transition to become a vampire. The mystery of his past is not completely resolved in this book but everyone who's read the first book can probably take a guess. I'm looking forward to seeing more of him in the next book and hopefully have my speculation confirmed.

**Also:** Zhadist's story, which will be told in the next book, is actually already starting in this one when he meets the first woman in ages who is not disgusted by him or sees him as a freak. On the contrary she feels quite mesmerized and very attracted to him. Their scenes are emotionally powerful and super hot! I can't wait to get my hands on their book!

**Ms. Ward you have me hooked!** With this series you have propelled yourself to the top of my must-buy-list. I'll range you right up there with my most favorite authors. You rock!!!

Von Bcherwurm Ich liebe die Black Dagger Reihe. Die Bcher sind gut zu lesen, haben Humor und werden auch nicht langatmig. Wenn ich jetzt eines der Bcher zu lesen beginne, dann lese ich es in eine Rutsch durch. Mann kann sie nicht aus der Hand legen, da man stndig gespannt ist wie es weiter geht.

Von Geisha X "Love Eternal" ist der zweite Band der Black Dagger Brotherhood-Serie von J.R. Ward. Der erste Band heisst "Dark Lover". Das Buch behandelt die Liebesgeschichte der an Leukmie erkrankten Mary und des mit einem schrecklichen Fluch behafteten Vampirs Rhage. Der gutaussehende Rhage, der wegen seines attraktiven usserlichen auch von seinen "Brdern" Hollywood genannt wird, verwandelt sich nmlich in Momenten extremer Gefhle wie Schmerz, Wut etc. in eine Art Drachen. Diese beiden sehr unterschiedlichen Personen treffen aufeinander und verlieben sich - das geht nicht ganz ohne Probleme vonstatten.

Aus mehreren Grnden fand ich diesen Band wesentlich besser als den ersten Band "Dark Lover". Zum einen haben die beiden Hauptfiguren hier wirkliche Probleme und nicht nur die sonst in Liebesromanen hufigen Pseudoproblemchen. Ausserdem weiss ich nach Band eins nun, dass ich mit einem starken Romance-Anteil rechnen muss. Und ein ganz wichtiger Grund ist, dass hier auch bereits die Geschichte von Zsadist angesprochen wird, der von allen Mitgliedern der Black Dagger Brotherhood der fr mich mit Abstand faszinierendste ist. Insgesamt ist mir das Buch zwar nach wie vor etwas zu romance-lastig und gefhlsduselig, aber die Vampirseite kommt trotzdem nicht zu kurz. Nach Band eins war ich mir noch nicht sicher, aber jetzt wei ich: ich werde diese Serie bestimmt weiterlesen!

**Kurzbeschreibung** Within the brotherhood, Rhage is the vampire with the strongest appetites. He's the best fighter, the quickest to act on his impulses, and the most voracious lover for inside him burns a ferocious curse cast by the Scribe Virgin. Possessed by this dark side, Rhage fears the times when his inner dragon is unleashed, making him a danger to everyone around him.

Mary Luce, a survivor of many hardships, is unwittingly thrown into the vampire world and reliant on Rhage's protection. With a life-threatening curse of her own, Mary is not looking for love. Her faith in miracles was lost years ago. But when Rhage's intense animal attraction turns into something more emotional, he knows that he must make Mary his alone. And while their enemies close in, Mary fights desperately to gain life eternal with the one she loves.

**From Booklist** Two hundred years: that's how long Rhage must bear the curse born of his reckless inconsideration. Sex and violence are all he once pursued; now they are the only things that keep the beast within at bay. He has little hope for finding peace during this existence, until Mary Luce enters his life. Irresistibly drawn to her light, he's pulled into a struggle with his own demons as well as the real enemies who threaten the vampire world and Mary. Ward wields a commanding voice perfect for the genre, and readers new to the world of the
