Von J.R. Ward : Lover Unbound (Black Dagger Brotherhood, Book 5) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lover Unbound (Black Dagger Brotherhood, Book 5):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. KlasseVon BcherwurmIch liebe die Black Dagger Reihe.Die Bcher sind gut zu lesen, haben Humor und werden auch

nicht langatmig. Wenn ich jetzt eines der Bücher zu lesen beginne, dann lese ich es in einem Rutsch durch. Man kann sie nicht aus der Hand legen, da man ständig gespannt ist wie es weiter geht. Ich kann diese Bücher nur weiterempfehlen. 19 von 20 Kunden fanden die folgende Rezension hilfreich. Definitely something different from J.R. Ward's *Black Dagger Brotherhood*. Von Leontine's Book Realm There are 500 pages of Vishous story and I didn't really get what I needed from this romance novel. In the previous novels Vishous is portrayed as a smart ass, strong, bold and sure as hell of himself. Brother but I couldn't find this all back when he finally takes center stage. His story starts with a shocker in his lineage department which immediately grabbed my attention and I snuggled on the couch for prime brotherhood reading time. V has his destiny revealed and he's not in any way warming up to it. Still dealing with this he gets shot by a Lesser and ending up in a human hospital finding a woman that makes him instantly growl: Mine. As Butch and Phury rescue him he demands that Dr. Jane is taken with him and arriving at his penthouse V doesn't really understand himself but is accepting the emotions he's feeling. V and Jane are discovering each other as Phury finds a darker side and John Matthew's journey continues. Still destiny will not be so easily discarded and for every joy there will be a price of pain. Will V take control of his destiny or will he submit? As I close this book I felt like I was blown away by a hurricane of chaotic storylines, though the novel is starting strong I couldn't relate to the romance of V and Jane. It was like they weren't given enough time and space to tell their story as strong, almost overbearing sub plotlines take away your attention and this left me detached. V and his preferences in the passion department was something that could have been more developed as this is such a defining part of his character. It is briefly mentioned in a scene with a female but as things got interesting J. R. Ward seems to back out on it. I feel that the emotional turmoil of V would've been better served if the domination was more developed and this would come in to conflict with his feelings for Jane. I felt disconnected with their love; their journey and this frustrated me for I know J.R. Ward can deliver. Instead what captured my attention was John Matthew and his pre-trans adventures, emotions and his interaction with Blaylock and Qhuinn. Also Phury whom gotten more interesting with every page and at the end of the story I felt that he was taking it over, dominating the story as you will. The Scribe Virgin made me feel a moment or two relating to her but most of the time I was riding on a do-not-like-her wave. Though J.R. Ward knows how to create a spectacular romance story that keeps me anchored while a lot is going on around the main couple, this is not happening in *Lover Unbound*. This is what I just missed the most and can't help that this feeling over rides the better parts. I enjoyed the interaction between V and Butch, wrapping their unfinished business up very nicely, but I missed the whole prophecy direction which was such an interesting ending in *Lover Revealed*. Though the story bears enough quality storytelling for me to keep flipping the pages it is more likely that the story of Vishous will either work for you or won't. For me it clearly didn't with certain things I just missed and the ending was like a cold shower, others maybe see it as bold or daring as love will always find a way, I think it is an unreal ending and making me feel V deserves something more and better. Overall I enjoyed the story but not so much for the love quest of V and Jane but more for the sub plotlines, interaction between the warriors and world building and I, in any case, don't want the secondary cast of characters to outshine the main hero and heroine. This is definitely something different from J.R. Ward's *Black Dagger Brotherhood*! reviewed by Dark-Huntress Courtesy Realms on our Bookshelves 6 von 6 Kunden fanden die folgende Rezension hilfreich. Zu viele Baustellen Von Cookie Erzählt wird die Geschichte von Vishous und Jane, einer Unfallchirurgin, die V nach einer Schussverletzung wieder zusammenflückt. Man erfährt viel über V's Vergangenheit, aber ich finde die Beziehung zu Jane kommt viel zu kurz. Und das V Jane zum Sadomaso-Sex verführt finde ich auch nicht sonderlich gelungen. Außerdem taucht mal wieder die Scribe Virgin auf und verlangt von V, dass er Primal wird und zum Fortbestand der Art beiträgt, indem er auf "die andere Seite" wechselt und für die Auserwählten "seinen Mann steht". Das kompliziert natürlich mal wieder alles, weil V ja am liebsten mit Jane zusammensein will. Mehr will ich hier mal nicht schreiben, damit für diejenigen, die selber lesen wollen, nicht alle Spannung verschwindet. Interessanter als die Kerngeschichte finde ich eigentlich fast die Nebenschauplätze und davon gibt es einige - wie John seine Wandlung erlebt und wie die Beziehung zwischen Zsadist, Bella und Phury weitergeht. Gut finde ich auch, dass die Lesser mal nicht so viel Platz im Buch einnehmen, da ich die Beschreibungen in den vorigen Bänden immer zuerst zu langweilig fand. Alles in allem ist das Buch wohl nur für die Leute geeignet, die unbedingt wissen wollen, wie es weitergeht mit den "Brüdern". Zu den Glanzleistungen der Autorin gehört dieses Buch jedoch nicht.

Kurzbeschreibung The ruthless and brilliant brother Vishous possesses a destructive curse and a frightening ability to see the future. As a member of the Brotherhood, he has no interest in love or emotion, only the battle with the Lessening Society. But when a mortal injury puts him in the care of a human surgeon, Dr. Jane Whitcomb compels him to reveal his inner pain and taste true pleasure for the first time-until a destiny he didn't choose takes him into a future that does not include her... From Publishers Weekly The newest in Ward's ferociously popular *Black Dagger Brotherhood* series bears all the marks of a polished storyteller completely at home in her world. Vishous, son of the Bloodletter, is a cunning, stone-hearted vampire warrior devoted to killing the wicked, undead vampire slayers known as the Lessers; after an ill-fated visit to a hospital, Vishous falls instantly and unexpectedly in love with a human

surgeon, Dr. Jane Whitcomb. Soon, Vishous has brought the unwitting human back to the Brotherhood lair, where she returns his feelings, opening up a potentially cataclysmic conflict. Vishous is, against his will, destined to become the Primale, a warrior with multiple vampire wives who's meant to ensure the survival of the species. Ward has by now become an expert at fleshing out the stories of her supporting characters each with his or her own novel without overpowering the central story, and while the romance between Vishous and Whitcomb is genre-typical, Ward isn't afraid to break with convention in challenging, gratifying ways. Though not recommended for newcomers to Ward's universe or romance traditionalists, this fix will give Brotherhood addicts a powerful rush. (Oct.)
