**Von JL Merrow : Lovers Leap (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Lovers Leap (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Funny little storyVon CustomerI loved the story! It was funny and Rufus was really sweet although Michael was a bit of an Ass but he has his Sweet moments too. Glad the story has a happy ending

Kurzbeschreibung If they looked, would they ever leap? Good-looking, confident, and doted on by his widowed mum, Michael is used to thinking only of himself. Getting shoved off an Isle of Wight pier by an exasperated ex ought to come as a wake-up call but then he meets Rufus and hes right back to letting the little head take charge. Rufus is cute, keen, and gets under Michaels skin in a disturbing way. Would-be chef Rufus cant believe his luck when a dripping wet dream of a man walks out of the sea on his birthday, especially when Michael ends up staying at the family BB. Life is perfect at least until Michael has to go home to the mainland. Rufus cant leave the island for reasons hes entirely neglected to mention. And though Michael identifies as bi, breaking his mums heart by coming out and having an actual relationship with a guy has never been his plan. With both men determined to keep their secrets, a leap of faith could land them in deep water. \* \* \* \* \* Word count: 53,700; page count: 217
