mitgerissen hat. Cara und Josh werden gut beschrieben und wirken sehr sympathisch, nur leider hat die Autorin nicht viel über die zwei zu erzählen. Das von mir erwünschte Drama, oder die besondere Liebesgeschichte bleiben leider aus. Trotzdem werde ich mir auch die Nachfolger der "Love under the big sky"-Reihe kaufen, denn ich hoffe sehr, dass sich Proby noch steigert (wie auch in der Seattle-Reihe). 0 von 0 Kunden fanden die folgende Rezension hilfreich. Wow she did it again :) Von Mell I love the new series just as much as "with me in Seattle. I am also a country girl and I really wouldn't mind to have a hot alpha but also sweet Josh of my own. Holly... I started the book last night and it kept me up till 3 in the morning I couldn't put it down I just had to finish it and it was so totally worth it. I really can't wait for the next book. Just one request Kristen... don't let us wait too long :) 0 von 0 Kunden fanden die folgende Rezension hilfreich. ugh!!! what happened?? Von CatEyes I was so looking forward for this book since I love the author's "Seattle" series. But this was plain boring - as if the author had lent her name to somebody else. Totally superficial and partly so far-fetched that I thought "can it get any worse?". Disappointing!
