**Von Jill Shalvis : Lucky in Love (Lucky Harbor Book 4) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Lucky in Love (Lucky Harbor Book 4) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.  
Extremely well done. Especially the ER scenes.Von Detra FitchIn the Washington State beach town of Lucky Harbor,

Mallory Quinn is an ER nurse. While in the diner one night with Amy Michaels and Grace Brooks, a freak snow storm blows a tree through the window. One of the limbs knocks out the mysterious new guy in town. This is how Mallory first meets Ty Garrison. Mallory does her best to meet some tough expectations from family and work. Recently she has been trying to begin a Health Services Center (HSC). Mallory is the local good girl. She is expected to date Mr. Right. But she wants to take a risk on a Mr. Wrong for a change and take a brief walk on the wild side. No one could be more wrong than Ty Garrison. He has made it very clear that he is just passing through, which suits Mallory just fine. Ty is only in town while he is recuperating from injuries he received from plane wreck. Dr. Josh Scott is the man in charge of Ty's medical care until Ty was cleared and ready to return to duty. In the meantime, he would gladly take Mallory up on her Mr. Wrong offer. But the just-for-fun fling becomes something more. For the first time in his life, Ty cannot bear to leave. She is making him desire things he should not - such as leaving the military for good. \*\*\*\*\*

**FIVE STARS!** The character of Mallory comes across as a caring angel. Most doctors and nurses become desensitized after years of seeing heartbreaking things in an emergency department. Most emergency professionals must become this way. If not, they would be no good to the people they are trying to help. They need dry eyes and a clear, sharp mind to evaluate and tend to their patients. Mallory is one of the rare professionals who is able to keep her heart soft while also remaining level headed enough to aid those in need. It is obvious that Jill Shalvis either did some serious research in the emergency medical field or has some personal experience. The wild and hectic scenes in the emergency room, as well as the variety of personalities among the patients, are described perfectly. (I can honestly say that due to years of personal experience.) This is not the first book by this author that I have read, but it is the best. In the past I would have said that Jill Shalvis was a very good author. Now she is on my "must read" list. I could not be more impressed. BRAVA! \*\*\*\*\*

As yet, the best book in the "Lucky Harbor" series Von Schenni4 - 4.5 stars This was a quick, cute and sexy read. The characters were lovable and I was delighted to revisit Lucky Harbor and its lunatic, but strangely appealing residents. Mallory and Ty were great together and the chemistry between them was spectacular, which made for some really nice (more like combustible) love scenes. I really appreciated the development of their relationship - it felt very natural. The beginning of their "affair" may have come a bit out of the blue (I noticed that Jill Shalvis likes to do that in a lot of her novels), but that made following the things to come all that more rewarding. Their journey felt almost like a discovery. Mallory the notorious good girl found a way to "spread her wings" with Ty and was finally able to really live her life, while Ty got a lesson in opening up and letting people into his heart. The only thing that kept me from giving the book 5 stars was the fact that the heroine was just a bit too nice at times. I got a little frustrated with her, since I wanted her to give Ty a bit of a wake up call. But apart from that I couldn't have been more delighted with this story. Btw, every chapter started with a short chocolate anecdote which was a nice touch. It were the little things like that, that made this story and its two main characters so endearing. A must read for all the fans of the series, although you don't have to start at the beginning since this could easily be a stand-alone novel. It's just more fun because you will be able to recognize and appreciate all the recurring characters. I'm really looking forward to "At Last" (Amy and Matt's story) which is coming out soon. The glimpses we got of them in "Lucky in Love" were mouthwatering to say the least. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Absolut empfehlenswert!!! Von booksmore Ich knnte jetzt sagen: kennst du eins, dann kennst du alle, aber das hrt sich einfach viel zu negativ an! Die Geschichten der Lucky Harbor Bcher hneln sich zwar tatschlich alle irgendwie ein bisschen, aber ich mchte nicht eines davon verpasst haben zu lesen! Die Charaktere sind allesamt liebenswert und verfhreerisch zugleich und lassen einem keine Mglichkeit das Buch aus der Hand zu legen! Es sei denn man ist fertig und mchte sofort mit dem nchsten beginnen! Jill Shalvis schafft es ohne Probleme einem schne Schmkerstunden zu verschaffen und ein seufzendes Lcheln auf die Lippen zu zaubern! Egal ob wie hier Mallory und Ty oder andere Hauptpersonen, diese Bcher sind einfach ein absolutes Muss unter den Romantiker(inne)n und den Liebhabern leichter Literatur!

**Kurzbeschreibung** Mallory Quinn has had enough of playing it safe. As a nurse and devoted daughter, she takes care of everyone but herself. And as the local good girl, she's expected to date Mr. Right. But for once, she'd like to take a risk on Mr. Wrong. And who could be more wrong than Ty Garrison? The mysterious new guy in town has made it clear that he's only passing through, which suits Mallory just fine. Besides, his lean, hard body and sexy smile will give her plenty to remember once he's gone . . . For the first time in his life, Ty can't bear to leave. Helping this sexy seductress-in-training walk on the wild side is making him desire things he shouldn't?including leaving the military for good. As their just-for-fun fling becomes something more, Mallory and Ty wonder if they could really be this lucky in love. After all . . . anything can happen in a town called Lucky Harbor. (95,000 words) Pressestimmen "4 Stars! Shalvis pens a tale rife with the three "H"s of romance: heat, heart and humor. LUCKY IN LOVE is a down-to-the-toes charmer..."
