hidden in their hearts. They are real people with real heart desires. Each finds the answer to their questions in the other and fall in love in the sweetest way. It's very passionate and very funny. Highly recommended. I've read it a couple of times. Also recommended: *The MacKinnon's Bride*, *On Bended Knee* 1 von 1 Kunden fanden die folgende Rezension hilfreich. *Real Cute* Von Ein Kunde *The Middle Ages in the Scottish Highlands*. An English Lord moves into an old crumbling castle awarded to him by the king. To settle troubles with his Scottish neighbors, he decides to take "mad Meg" as his bride. Now he had troubles in as well as around his new home! The story is sweet and funny and fast-paced. But I could not take the philosophical attempt very seriously. The notion of a beautiful young woman wanting to know if her heart's choice also "desires" her innerself was touching if a little gauche. All in all, very entertaining. 1 von 1 Kunden fanden die folgende Rezension hilfreich. This is the BOOMMMBBBBB!!!! Von Ein Kunde This is my mostestesssss favorite book EVER! The characters are both witty and funny at the same time. My problem is that I read it within hours. Was not able to put it down once I picked it up, problem was I was at work at the time. By the time it was time to go home, I had finished it! :(I wanted it to last FOREVER! It had me laughing with tears in my eyes. Most definitely a keeper! I WANT MORE, like this book! Thank you Ms. Tanya Anne Crosby for the gift of your book. :)
