She never forgot that advice. Mindys travels took her through multiple careers from litigator to librarian to full-time writer. Mindys travels have also taken her through various literary genres for readers of all ages from traditional fantasy to paranormal chick-lit to category romance, from middle-grade to young adult to adult. In her spare time, Mindy knits, quilts, and tries to tame her endless to-be-read shelf. Her husband and cats do their best to fill the leftover minutes.
