frustrated. Von reader The story left me frustrated. I wondered how an intelligent boy could be so blindsided by love that he would take the responsibility for his girlfriends accident and go to jail. I was even more puzzled that he forgave her so quickly, had no ambition, no new goal, and was content to work at the animal shelter. There was no mention of him having to pay for his former college/med school tuition, usually those are the reason people work two jobs. Why didnt Alyssia reach out to her dad calling in a favor either for pressure on the senator or for a job in the familys pharmaceutical company? Very fast love story with predictable problems caused by former ex-boyfriend/girlfriend, the Hero had not much backbone.

Kurzbeschreibung Brody Markham has endured a nightmare, spending the last five years in prison and losing everything that was dear to him. Now hes back home, trying to survive in a world he doesnt recognize anymore. While his family and friends desperately try to reach through to him, he shelters himself further and further away from their love. Alyssa Myers has worked her entire life to distance herself from the luxurious and privileged lifestyle in which she was raised. Running her non-profit agency, The Haven, she is content to spend her days helping abused animals find sanctuary, which fulfills her in a way that money just cant buy. Maybe its that she recognizes in Brody some of the same characteristics she sees in her homeless wards, but Alyssa is powerless to stop her personal quest to make Brody whole again. While Brody struggles to surface from the darkness, Alyssa tries to protect her heart in case hes not willing to accept the light that she offers him.
