Von Megan Erickson : Make It Count: A Bowler University Novel before purchasing it in order to gage whether or not it would be worth my time, and all praised Make It Count: A Bowler University Novel:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Kat AlecVon MinelliDie Geschichte ist so viel mehr als in der Beschreibung angegeben wird. Ich bin mit dem Gedanken

an das Buch gegangen, dass ich hier viel von einer unmöglichen Liebe lesen muss. Nachdem Kat aber herausgefunden hat wie sie wirklich fühlt, ist diese Dreiecks-Geschichte schnell vorbei. Ich bin zwar selbst keine Legasthenikerin aber ich kenne viele Menschen die diese Krankheit (oder wie man das nennen will) haben. Das selbe gilt für ADS. Bei Kat musste ich oft an den Spruch: Ja, ich habe ADS - oh guck mal, ein Eichhörnchen - denken. Obwohl ihre Gedankengänge teilweise recht lustig sind, ist es sehr schwer für Menschen mit ADS zu fokussieren und es hat mich sehr gefreut, dass sie Mittel und Wege hatte um das zu schaffen. Kats ganzen Weg fand ich bewunderswert und die Autorin hat es geschafft, dass man eher stolz als Mitleid mit der Protagonistin empfindet. Alec war einfach nur wunderbar und Kat kann froh sein, dass sie ihn hat. Lieblingszitat: ...she wondered if they could reenact the scene in The Notebook where Rachel McAdams jumped on Ryan Gosling and they made out in the rain....and wondered if they'd ended up at Hogwarts. Lese die ganze Reihe: Mal sehen Lese mehr von der Autorin: Bestimmt Lese ich noch Mal: Eher nicht Leseempfehlung: JA Bookboyfried-Potential: 75% 0 von 0 Kunden fanden die folgende Rezension hilfreich. Give it a bit of time Von Laura I was pretty skeptical during the first 10% of the book - I just couldn't connect with Kat. After that, it clicked and I really enjoyed the book. Especially loved the funny banter.

Kurzbeschreibung Kat Caruso wishes her brain had a return policy, or at least a complaint hot-line. The defective organ is constantly distracted, terrible at statistics, and absolutely flooded with inappropriate thoughts about her boyfriend's gorgeous best friend, Alec...who just so happens to be her brand new college math tutor. Who knew nerd was so hot? Kat usually goes through tutors like she does boyfriends--both always seem to bail when they realize how hopeless she is. It's safer for her heart to keep everyone at arm's reach. But Alec is always stepping just a little too close. Alec Stone should not be fantasizing about Kat. She's adorable, unbelievably witty, and completely off limits. He'd never stab his best friend in the back...But when secrets are revealed, the lines of loyalty are blurred. To make it count, Alec must learn messy human emotions can't be solved like a trigonometry function. And Kat has to trust Alec may be the first guy to want her for who she is, and not in spite of it. Pressestimmen MAKE IT COUNT was like a breath of fresh air! Very clever and sweet, funny and sexy. You won't read this without smiling and sighing and swooning--sometimes all at once. (Christina Lee, author of the Between Breaths Series) Steamy, poignant, and addicting...you won't want to put it down! (Jen McLaughlin, New York Times and USA Today Bestselling Author) MAKE IT COUNT is a smart, sweet, sexy story that will make you laugh. Kat's adorable, and the slightly nerdy, but very swoon-worthy, Alec is impossible to resist (Stina Lindenblatt, author of TELL ME WHEN.) Fun, fresh, and romantic, this book kept me enthralled (and swooning hard) while shining a light on important issues often ignored. Nerdy IS the new black, ladies, and Alec Stone is hot! He can tutor me any time. (Rachel Harris, author of SEVEN DAY FIANCE) I was immediately drawn into Erickson's world, and Kat is a protagonist you end up relating to and rooting for. It's a great love story, but the underlying message is one that sticks with you. (Jennifer L. Armentrout, #1 New York Times bestselling author) Kurzbeschreibung Kat Caruso wishes her brain had a return policy, or at least a complaint hot-line.
