Addictive seriesVon MagritteMake me sir is the fifth book of Cherise Sinclair's series about the Masters of Shadowlands where the Club Shadowlands is the setting for her addictive BDSM stories.The series:- Club

Shadowlands [Masters of the Shadowlands 1]- Dark Citadel [Masters of the Shadowlands 2]- Breaking Free [Club Shadowlands 3]- Lean on Me [Masters of the Shadowlands 4]- Make Me, Sir [Masters of the Shadowlands 5]- To Command and Collar (Masters of the Shadowlands) This book is a little different than the previous ones. It has some criminal fight background in it which isn't unpleasant. A sex slave merchant seems to be ordering some bratty BDSM subs for a client of his. Gabrielle volunteers to become a bait hoping to save her best friend who has been abducted. Now the problem is that Marcus, the Dom training the new subs at the Club of Shadowlands who has to take care of her does not seem to like bratty and somehow she really really really wants to please her master. Now can she convince him and the criminals that she is an submissive sub? Or will she succumb the need to follow her masters orders? I really love Cherise Sinclair's writing. If you too like burning hot erotic stories about domination and submission; if you need more than only sex; if you enjoy books with great kinky characters; if you like persons who overcome their fears trough love: then you will simply love this series. Sure this lifestyle isn't for everyone and the scenes are definitely not vanilla sex, so just see if you like this kind of themes. The storyline is nice, the story itself as well. The characters unfold beautifully. I enjoyed Mrs. Sinclair's drawing of the care the Dom takes of his sub, how focused he is on her pleasure and wellbeing, but also her explanation about what is so interesting for an intelligent woman to submit to a man without losing her independence. She also presents different types of BDSM games, with a variety of very inspiring scenes and characters. Her women are fragile but strong, intelligent and submissive; her alpha males are dominant, protective and very understanding. I discovered Cherise Sinclair while reading a review of some BDSM books by Jan Bowles and even though I liked her books I really enjoyed Mrs Sinclair's books much more as they are but deeper into the scene and the varieties of stories as well as her characters are great. Enjoy the read

Nach anfänglicher Schwäche doch ein recht gutes Buch Von -Kunde Muss gestehen, es hat mich jetzt nicht ganz so mitgerissen wie die Vorgänger, aber ist trotz alledem ein gutes Buch. Zum ersten mal versucht der Autor die Story nicht nur mit dem erotikaspekt zu erzählen sondern geht weiter und versucht es mit Action. Wurde im 3. Buch kurz versucht, wo es meiner Meinung nach etwas kurz war. In dem Buch ist diese Sichtweise längerwährend und nicht innerhalb einer Seite abgehackt. 0 von 0 Kunden fanden die folgende Rezension hilfreich. One funny bratty sub - a strikt Master - a new step in the series - love it Von Cassandra OMG Gabi is one mouthy funny brat hahaha she definitely has a filthy mouth but so lovingly down right submissive...no chance for Master Marcus to resist! and I love the the new step the series takes! Kurzbeschreibung[[Reprint]] Her job is to make his life miserable. His job is to make her submit. Whose heart will surrender first? Across the country, rebellious BDSM submissives are being systematically kidnapped, one from each club. When her friend falls prey to the slavers, FBI victim specialist Gabrielle volunteers to be bait in a club not yet hit: the Shadowlands. She finds that being a bratty sub comes naturally, especially when she gets to twit the appallingly conservative Master of the trainees. But she soon discovers hes not as stuffy as shed thought. Or as mean. Shed expected punishment, even humiliation, but she sure never expected to fall in love with a damned lawyer. Courtesy of a prima donna ex-wife, Marcus loathes disobedient submissives. When the club owner insists he admit an incredibly bratty trainee, hes furious. But as he comes to know Gabrielle and sees the alluring sweetness beneath the sass, he starts to fall for her. Unfortunately, Marcus isn't the only one who believes the feisty redhead is a prize worth capturing. And in the world of the slaver, such treasure is worth a hefty fee.
