lesen, aber leider nicht die gewohnte Qualität. Von Luxara Die Bücher von Cherise Sinclair sind über die letzten Jahre zu einer meiner "guilty pleasures" geworden und haben mich, besonders angesichts des Genres mit teilweise wirklich fesselnden Storylines berzeugt. Leider ist dieser neue Eintrag in ihrer "Mountain Masters"-Serie im Vergleich etwas enttäuschend. Für mich war es nur in Anstzen möglich, mich mit den Charakteren zu identifizieren oder ihre Beweggründe zu verstehen. Schnelle Sprünge zwischen Situationen beziehungsweise zu neuen Problemen haben für mich als Leser zum Teil die Immersion in der Geschichte zerstr. Insgesamt fhlte die Geschichte sich, vielleicht auch durch die geringe Länge, etwas gehetzt an. Trotzdem hat "Master of Freedom" auch einzelne Teile, die mir wirklich gefallen haben. Ob es allerdings seinen Preis wert ist, bin ich mir nicht sicher. Für den Kindle vielleicht, das Taschenbuch würde ich nicht empfehlen, da passt das Preis-Leistungs-Verhältnis einfach nicht. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Cherise Sinclair did it again!!! HOTNESS!!! Von Cassandra HOLY FREAKING HOTNESS!!!! Cherise Sinclair knows how to get under your skin with her writing, leaving you breathless and needy and wanting it right now! Okay, there are some hurdles to take and you might get a little teary, but the chemistry between them makes up for it! The blurb already says everything that needs to be said about the story without spoiling anything. Cherise is known to introduce a different kink in each book. The focus in this one is bondage and it's absolutely sensual and sexy and beautiful. As always Cherise pulls you right in and has you captured til the end, leaving you sighing and wishing for more. Awesome job once again! Highly recommend it! 0 von 0 Kunden fanden die folgende Rezension hilfreich. etwas enttäuscht Von Angelika Ich fand die ersten Bücher der Master of the Mountain Serie wirklich gut und hatte mich auf dieses Buch sehr gefreut. Aber es war nicht im normalen "Cherise-Standard" meiner Meinung nach. Die Beziehung zwischen Gin und Atticus blieb erstaunlich flach, ich fand keinen richtigen Zugang zu den Personen. Ich habe alle Bücher von Cherise Sinclair und habe sie (einschließlich der paranormalen) mehrfach mit großer Freude gelesen. Das wird mit diesem Buch wohl eher nicht der Fall sein.

Kurzbeschreibung Detective Atticus Ware gave up Idaho to start again in the California mountains, close to his imprisoned brother. Although he's found good friends, the experienced Dominant wants more than the do me submissives flocking around him. He needs a woman to give her heart as well as her body. After Virginia Cunningham exhausts herself propping up a failing relationship, she accepts a social worker job far, far away in a California prison. Invited to observe BDSM classes on a wilderness camping trip, she's shocked her fiancé had insisted BDSM was a fabrication to sell books. But when Atticus lures her into participating, she learns submission under the hands of a powerful Dom is beyond anything she'd imagined. Nonetheless, she can't permit a relationship she'd just lose herself again. Finally, Atticus has found the woman he wants in his life. In his bed. In his cuffs. Only she keeps backing away. Well if he has to help a little counselor get her head on straight, he's just the Dom for the job.
