Sequel and another great BDSM book by Cherise Sinclair  
Von Cassandra  
How can you not love Jake??? Caring for his brother deeply, feeling guilty over the death of his former slave/fiancee and breaking his one-night-only-rule for a woman he just starts to explore? Cherise Sinclairs books about hot alpha male Doms are so sexy and hot that you can't read them in public (e.g. during lunchbreak at work) and I love them all! Jakes and Kallies story is not only about exploring the need to submit and a Dom starting to care again, but it's also about learning and accepting yourself the way you are. Once again the female main character doesn't fit in the model sizes and makes you relate to them even more. Now at a psycho that is really creepy and you have some extra spice in the story that I could have lived without...but where is the fun then, right? lol

Ich mag BDSM geschichten und am liebsten die von Cherise Sinclair. Auch dieses erfüllt alle Erwartungen! Wer gerne in Reihenfolge liest, sollte die Geschichte von Logan und Rebeca vorherlesen! Aber man kann sich auch einfach so reinstrzen und das Buch verschlingen! Ein reiner Lesespas!

Kurzbeschreibung  
On the mountain, the watcher seeks out evil women. And then they die. Two years ago, when Jake Hunt uncollared his slave, she committed suicide. Guilt-ridden, he will commit to a woman for one night only, devoting his energy to a mountain lodge that caters to a BDSM crowd. Kallie Masterson is tough. Unwanted as a child, she worked hard to become a wilderness guide. Shes proud of who she is, and hurt that Jake frowns on her for acting like a man. After rescuing the macho guide from a bar fight, Jake is stunned that the ugly mens clothing hides a warm, responsive woman. A submissive woman. When guide business brings her to the lodge on BDSM night, and she is obviously aroused by the play, Jake takes the little sub right into his world of pain and pleasure. He warns her: one-night-only. But she responds so beautifully--so joyously--under his command, that one night soon becomes two, then three. Then a missing hiker reminds Jake of his past lover, and he realizes hes become too involved. He pulls back. Meanwhile, the watcher on the mountain has rendered his verdict: Kallie Masterson is evil. The sentence: Death.
