of BDSM literature. The characters she creates, the situations in which they meet, the seduction are amazing. All characters are strong and sweet, feelings bounding the characters below their Dom-Sub nature. This is somehow how I imagine the perfect fulfilled relationship to be. From book to book, from scene to scene she describes new scenes. I never get the feeling that I already read something. The books are however very hot. A scene takes up to 15 pages and then another starts. So you have to like that to like her books. Somehow I however never get the feeling that I am reading a porn. After having finished the Master of Shadowlands series I started with her Dom of Dark Haven series: - Master of the Mountain - Doms of Dark Haven (Anthology) - Master of the Abyss - Doms of Dark Haven 2: Western Night (Anthology) - My Liege of Dark Haven. The Master of the Mountain is the first in this series. The story is not very long 255 hot pages. And it is a balanced length. Rebecca is a round scared woman, whose boyfriend is into swinging. She didn't know until he offered her to "join the party" or rather the week end. As he is the perfect man (who however never makes her come) she follows him and feels totally out of place. When Logan sees her for the first time he feels that she is more of a sub than a swinger and he wants to find out how much she will submit ... to him. He likes soft women like her (him reassuring her throughout the story will definitely please the readers who are rounder as well). His nightmares, his past are however a major danger to her and in Dom nature will foremost concentrate on her security. While she is convinced that her body pushed him away he really falls for her and only wants to protect her. The story is nice; the fact that Dom-Sub are not swingers is nice to be remembered of. And the introduction of the Dark Haven Club is very nice as well. I have to give it a five stars mainly because I really enjoy everything about the book. So please, if you like or want to discover BDSM read this book. Enjoy MBTM2 von 2 Kunden fanden die folgende Rezension hilfreich. BDSM Roman mit Witz und guter Geschichte! Von Mrs A Die BDSM Bcher von Cherise Sinclair kommen in folgender Reihenfolge: Master of the Mountain Doms of Dark Haven 1 Master of the Abyss Doms of Dark Haven 2 Obwohl es unabhngige Bcher sind, wird oft auf die einzelnen Personen zurck gegriffen. Daher fand ich es einfacher, die Reihenfolge zu beachten. Rebecca gibt ihrem Freund nach und folgt ihm und seinem Swinger Club in eine abgelegene Berghtte. Schnell findet sie heraus, dass sie kein Interesse hat, sich mit wechselnden Partnern zu vergngen. Sie hasst ihre weiblichen Kurven und verlsst verunsichert die Htte. Logan, Eigentmer der Berghtte nimmt sich ihrer an und findet Gefallen an der Frau aus der Grostadt. An der Frau, die ihn mit ihrer submissen Art den Kopf verdreht. Im Vergleich zu den Shadowland Bchern ist Master of the Mountain eher eine sanfte Variante der BDSM Bcher, welche C.S. sonst schreibt. Sie gibt den Charakteren eine Geschichte, beschrnkt sich nicht nur auf die Sexszenen. Die BDSM Szenen sind hei und detailliert! Nichts fr Vanilla Liebhaber. Sehr Lesenswert. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Hot and erotic sexy read! Von Cassandra Just like in her Shadowlands series, Mrs Sinclair heroine is not the model type woman and for that alone she should get 5\*\*\*\*\* stars! The intensity between Logan and Becca is hot as are their get togethers! Really loved it from page one and needed to get to know what happens! Hot and erotic sexy read! And Logan can tie me down any time! Lets see what his brother has to offer!

Kurzbeschreibung Rebecca thinks she is overweight and boring. Logan disagrees. When Rebeccas lover talks her into a mountain lodge vacation with his swing club, she soon learns shes not cut out for playing musical beds. But with her boyfriend entertaining in their cabin, she has nowhere to sleep. Logan, the lodge owner, finds her freezing on the porch. After hauling her inside, he warms her in his own bed, and there the experienced Dominant discovers that Rebecca might not be a swinger but she is definitely a submissive. Rebecca believes that no one can love her plump, scarred body. Logan disagrees. He loves her curves, and under his skilled hands, Rebecca loses not only her inhibitions, but also her heart. Logan knows they have no future. Damaged from the war, he considers himself too dangerous to be in any relationship. Once the weekend is over, hell have to send the city-girl subbie back to her own world. But will driving her away protect Rebecca or scar them both?" Master of the Mountain is, quite simply, a beautiful book. Cherise Sinclair swept me away with her perfect blending of tenderness, healing, erotic discovery, and romance." ~Joyfully ed Kurzbeschreibung Rebecca thinks she is overweight and boring.
