KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Highest Stake Is LoveVon VidaBThis book is fanfreakingtastic. From the first page to the last you're wrapped up in the yummy deliciousness that is Maxwell Andrade, a man who knows what he wants and what he wants is Tara Holmes.

Tara is a woman who was hired by his cousin Maddy to uncover secrets that she (Maddy) believes will bring Max and his brothers closer together. I'm a big believer in being careful what you wish for because it might just destroy your family also. Tara and Max chemistry is off the charts HOT and the witty banter that these two display is downright comical. Once again Ruth has hit it out of the ballpark with a great story, wonderfully flawed characters and hilarious humor that transports you right into the book and wishing that you was there. For me this book answered some questions but definitely kept me intrigued and anxiously anticipating the next Andrades book. Kudos Ruth for another winner!!!!

When Madison D'Argenson hires Tara to uncover the truth about Aunt Patrice, Tara is pulled into Max's world. How far would you go to help a man who doesn't want to be helped?
