Ich habe alle ihre Bcher gelesen und war bis auf wenige Ausnahmen immer "hin und weg". Dieses Buch bertraf meine Erwartungen um Lngen. Der Crusie-typische Humor fehlt natrlich auch hier nicht, aber die spezielle Prise von "bersinnlichkeit", die hier einzieht,

ist einfach genial. Keine Klischees werden bedient, keine abgedroschene Geschichte, die es so schon tausendfach gegeben hat. Sensibel, stilvoll und eben einfach Crusie - also eine absolute Kaufempfehlung. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Nice stuff to enjoy long evenings Von Laura Nice book for long evenings/weekends!!!!) Actually this writer never has disappointed me!!! Easy to read. I would even say - fun to read. 3 von 3 Kunden fanden die folgende Rezension hilfreich. eine Liebes-, nein, eine Geistergeschichte Von Andrea Maier Dieses Buch von Jennifer Crusie ist natrlich wieder eine Liebesgeschichte ber das geschiedene Paar Andie und North, aber es ist so viel mehr und brachte mich gerade dadurch hufig zum Lachen. Andie will wieder heiraten und mchte daher noch eine Kleinigkeit mit North regeln als er sie berzeugen kann, als Notfall-Nanny fr die Kinder seines Cousins einzuspringen, die er nach dessen Tod "geerbt" hat. Laut Aussage der vorherigen Nanny sind die Kinder seltsam, das Haus gruslig und spuken wrde es auch noch. Andie macht sich also auf den Weg und ja, es ist leider genau so wie gesagt. Als wenn das nicht schon genug wre, muss sie sich auch noch mit der Familie von North, ihrer Mutter, einer aufdringlichen Reporterin, ihrem Ex-Verlobten und einer mrrischen Haushlterin sowie einem auseinanderfallenden, alten Schloss in der Mitte von Ohio rumschlagen. Ein etwas anderes Buch, das ich wirklih nur empfehlen kann.

Kurzbeschreibung The New York Times bestselling author of *Bet Me*, *Tell Me Lies* and *Welcome to Temptation* delivers her long-awaited novel *Andie Miller* is ready to move on in life. She wants to marry her fianc and leave behind everything in her past, especially her ex-husband, North Archer. But when Andie tries to gain closure with him, he asks one final favor of her before they go their separate ways forever. A very distant cousin of his has died and left North as the guardian of two orphans who have driven out three nannies already, and things are getting worse. He needs a very special person to take care of the situation and he knows Andie can handle anything. When Andie meets the two children she quickly realizes things are much worse than she feared. The place is a mess, the children, Carter and Alice, aren't your average delinquents, and the creepy old house where they live is being run by the worst housekeeper since Mrs. Danvers. What's worse, Andie's fianc thinks this is all a plan by North to get Andie back, and he may be right. Andie's dreams have been haunted by North since she arrived at the old house. And that's not the only haunting. What follows is a hilarious adventure in exorcism, including a self-doubting parapsychologist, an annoyed medium, her Tarot-card reading mother, an avenging ex-mother-in-law, and, of course, her jealous fianc. And just when she thinks things couldn't get more complicated, North shows up on the doorstep making her wonder if maybe this time things could be different between them. If Andie can just get rid of all the guests and ghosts, she's pretty sure she can save the kids, and herself, from the past. But fate might just have another thing in mind.
