KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Not bad...Von Querleser... but not good, either. And yeah, I get that most authors skip safe sex in the shifter world, but why here? Having another guy every night before, but now they want to be in a monogamous relationship, so "hey,

let's get test and skip condoms" is not the way to go. But apart from that and a few flaws it was a nice enough story.

Kurzbeschreibung As a regular at gay hotspot Pot O Gold, Ezra Kelley avoids his tangled emotions with the simplicity of one-night stands and attachment-free hookups. Until the night bartender Donner Davis picks him up off the floor after a misunderstanding and too much tequila. Ezra can't remember the last time someone was nice. It's more than he deserves. Witnessing his lover's death two years ago has Donner trapped in a holding pattern living in his sister's basement, working at the Pot and flirting with the customers. He's not above spending a night with the gorgeous Ezra, but love is not in the cards. That's more than he's ready for. A passionate night leads to a connection neither man expects, and they take the first steps to something that looks like a real relationship. But Ezra's been running from himself so long he doesn't know how to live any other way. And Donner can't risk his heart just to lose everything again. They'll both need the strength to let go of the past if they want to get it right this time. 61,000
