**Von Jamie Shaw : Mayhem: Mayhem Series #1** before purchasing it in order to gage whether or not it would be worth my time, and all praised Mayhem: Mayhem Series #1:

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 2 Kunden fanden die folgende Rezension hilfreich. Sehr gutes Debt Von Kindle-Kunde Es schaffen nicht viele Autoren, dass ich whrend dem Lesen Schmetterlinge im Bauch

fhle. Aber Jamie Shaw hat es geschafft. Die Geschichte ist wirklich s und hatte Suchtcharakter. Ich konnte das Buch nicht weglegen.0 von 0 Kunden fanden die folgende Rezension hilfreich. Urgh... nopeVon Jana KockentiedtTitle: MayhemAuthor:Jamie ShawPersonal Preference:8 /20%This was a book to fly through, with a lot of flaws, that overall made the reading experience unpleasant.Writing Style:8 /20%Not complicated or anything, but sometimes hard to follow because scenes end very abruptly and because of short flashbacks to explain what happened after a scene instead of simply adding one paragraph. That's lazy writing right there.Characters:5 /20%Well the guy was okay, a little much clich and a little much ignorance towards women that he sleeps with, but I feel like I've just sadly become used to these types of guys in YA. The real question with him is: HOW DID HE NOT REALIZE it was Rowan the whole time? This is not a cinderella story, and that storyline is SO old and overdone.Ro and her best friend Dee are the good old couple of friends where the protagonist is shy and her friends has to talk her into doing fun stuff. I'm tired of that.World (-Building):5 /10%Well set in our world, at a university and on the road, which is the place the actual story starts to unravel, because the characters are not bound to their usual routines and to the people around them anymore. Again, lazy, but okay to read.Tension/ Excitement(throughout the book):6 /10%The beginning was a bunch of clichs, not that the middle part and the ending aren't but it's particularly overwhelming in the beginning. It annoyed the crap out of me that the storyline with Ro's ex was discussed so much, while we have not seen them together and therefore do not care for their break-up.Moral/ Lesson/ Message:0 /10%No, just no. The slut shaming is real in this one. It goes as far as calling girls we don't even know what they look like being called sluts to introduce them. In this book girls are even called whores for no acceptable reason.Our main guy kisses the protagonist after she clearly says no, but that doesn't seem to bother her, I mean after all she actually wants it I just CAN'T.Not even bothering giving the busdriver a name and calling him driver annoyed me so much, because the guy actually seems legit cool and this is just so disrespectful, like???Overall I get the impression the author is bitter and hateful and sexist, towards men and women, saying men behave like douches, because that's just how they are and women being cheap in general, because they can't resist good looks. She seems to let her anger towards good looking woman, that don't necessarily hold back with guys out in this book and that is just sad.Other Thoughts/ ConclusionA quick read, that I will not recommend since there are a ton of better ya romances out there. If you are looking for a rockstar romance I will tell you to read: Lick (Stage Dive #1) .\_\_\_\_\_32 /100%= 3.2 /10= 1.6 / 5 2 /5 0 von 0 Kunden fanden die folgende Rezension hilfreich. GrandiosVon EPIch habe mir das Hrbuch auf Englisch gekauft. Andi Arndt spricht absolut toll,verstndlich, wunderbar moduliert - man sieht alles vor sich - ganz als ob mangelnd lesen wrde.Die Geschichte selbst ist grandios, witzig, spannend, Drama, Liebe - alles dabei.Nur die Stimme von Adam Verner hat mir gar nicht gefallen - die hrt sichfurchtbar alt an. Etwas unpassend fr den Part eines jungen Mannes.

KurzbeschreibungWhen college freshman Rowan Michaels meets gorgeous, up-and-coming rock star Adam Everest, she knows a player like him is the last thing she needs after her ex-boyfriend shattered her heart. But she can't stop thinking about the kiss they shared on his tour bus.On the first day of school, Rowan is stunned when Adam saunters into her French class. He's soon failing miserably, and, on a whim, she offers to tutor him. But Adam doesn't recognize her as a makeup-free, glasses-clad college studenta far cry from the beautiful, mysterious "Peach" he met at his concert.During a wild weekend on tour with the band, Rowan can't help falling for the sweet guy buried beneath Adam's rocker persona. Yet she knows she could never compete with the girls constantly throwing themselves at his feet. She'd just end up hurt again.Peach is all Adam thinks about, though, and when Rowan realizes this, she has a decision to make: stay just friends to protect her fragile heart or reveal the truth about the night they met and admit she's fallen completely, hopelessly in love with him.PressestimmenThis book is exactly why every girl has a rock star fantasy. Love, lust and good times on the road make for a fun and sexy romance that will make you want to drop everything and run away on tour with the band. (Jay Crownover, New York Times bestselling author)Nothing but fun between these pages! (Wendy Higgins, New York Times Bestselling author of the Sweet Evil trilogy)Theres no better feeling than staying up late to finish a great book. Mayhem was totally worth losing sleep over. (Tiffany King, USA Today bestselling author)Author Jamie Shaw delivers an enchanting debut novel with a sexy-bad-boy-rocker-falls-for-a-good-girl theme, and its darn good fun.
