Hilarious, Fun and GreatVon Lena#39;s BcherparadiesI loved this book so much! I had so much hours of fun at reading this hilarious book.Never had a book with so much fun at the first sides before. When Emily is telling about her bad dates.I loved this story, and the characters.The cover is also very pretty and the title good chosen.All in all -

one of the best books I ever read!2 von 2 Kunden fanden die folgende Rezension hilfreich. Terrible BookVon DGriffinThis book is truly terrible. The concept is ok, but the plot and characters are bland and shallow. I really don't understand why the author decided to make her main character American. She clearly has no idea how Americans speak. There are continually words like "row" (fight), "jumper" (sweater), and "horse riding" (horseback riding) in the dialogue and text. I understand that she is a British author and a British publication, but I don't see the point of making a character American and then giving that character a distinctly British voice.2 von 2 Kunden fanden die folgende Rezension hilfreich. Gute-Laune-GeschichteVon Sarah PritzelEmily wohnt in New York und ist dort Managerin einer kleinen, privaten Buchhandlung. So einer mit meterhohen Regalen und Bchern, die schon eine Staubschicht angesetzt haben. Ihre beste Freundin ist eine ausgeflippte Shopaholic - Emily selbst kann aber eher etwas mit Jane Austens Romanen als mit Mode und modernen Mnnern anfangen. Nach mehreren Dating-Enttuschungen beschliet sie daher spontan eine Tour nach England mitzumachen und sich mitsamt einer Reisegesellschaft von einem Jane-Austen-trchtigen Ort zum Nchsten kutschieren zu lassen.Dabei ist sie immer unterwegs mit eine Truppe lterer Damen, einem arroganten Journalisten und Mr. Darcy....Das hier ist keins der Bcher, von denen man viel erwarten darf. Es ist natrlich weder tiefgrndig noch besonders einfallsreich und man wei praktisch von der ersten Seite an schon wie es ausgehen wird. Aber ganz ehrlich? Ich hab das Buch als kleine Zwischenlektre gelesen und fand es herrlich witzig, wunderbar schrg und genau richtig zur Ablenkung! Ein mal habe ich sogar so laut gelacht, dass mein Nachbar mit dem Besen gegen die Wand geklopft hat ;)Empfehlen kann ich das Buch also allen, die gerne mal eine typische Liebesgeschichte lesen, (k)ein Fan von Mr. Darcy sind und Filme wie "10 Dinge die ich an dir hasse" gut fanden, obwohl auch da schon klar war wie es ausgeht.Ein wirklicher Lesespa!

KurzbeschreibungHe's every woman's fantasy.After a string of nightmare relationships, Emily Albright has decided she's had it with modern-day men. She'd rather pour herself a glass of wine, curl up with Pride and Prejudice and step into a time where men were dashing, devoted and honourable, strode across fields in breeches, their damp shirts clinging to their chests...So when her best friend invites her to Mexico for a week of margaritas and men, Emily decides to book a guided tour of Jane Austen country instead. But she quickly realises she won't find her dream man here. The coach tour is full of pensioners, apart from one Mr Spike Hargreaves, a foul-tempered journalist sent to write a piece on why Mr Darcy's been voted the man most women would love to date.Until she walks into a room and finds herself face-to-face with Darcy himself. And every woman's fantasy suddenly becomes one woman's reality. . .From Publishers WeeklyU.K. author Potter makes her U.S. debut with Emily Albright, 29, a New York bookstore manager, who half-seriously blames Jane Austen's Fitzwilliam Darcy for her abysmal dating life: Darcy sets the bar too high. As Christmas approaches, Emily, to avoid a holiday with co-worker Stella, signs up for a tour of Darcy territory, lighting out, amusingly, with a gaggle of gray-haired Darcy maniacs. As the tour group weaves in and out of Darcy locales, Emily butts heads with Spike Hargreaves, a handsome young journalist interviewing the group. Soon, the jet-lagged, drink-laden Emily finds herselfpresto!time traveling and meeting Mr. Darcy himself, complete with frock coat. As her acquaintance with Darcy deepens, Emily, to her great surprise, finds herself thinking about Spike. Despite the plot's predictability, Potter's chick lit take on Darcy has a refreshing not-trying-to-equal-the-master feel. (July) Copyright Reed Business Information, a division of Reed Elsevier Inc.
