long time I found it very difficult to "feel" the connection between Lilah and Callum. Since the reader gets very little clues of how things are said, of Lilah mimics or gestures, I read her to be a very prickly, self-righteous person. My friend however read the conversations to be more flirtatious. The last thing I didn't like, at all, were the swear words. Having said all that, now let me state that the book is a very good read. It gets very emotional and I shed a couple of tears (which is saying a lot as I normally never cry). 1 von 1 Kunden fanden die folgende Rezension hilfreich. A touching and believable story Von Evelyn Yates A story about love and life and sadness. Did not want to finish it as I would have to leave Lilah and Callum behind. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Taschentuchalarm Von Doris Gut und fesselnd geschrieben. Habe das Buch kaum aus der Hand gelegt u. hab am Ende Rotz u. Wasser geflennt

Kurzbeschreibung An unforgettable tale that I couldn't recommend more. 5/5 Girls LovetoRead.com If you enjoyed Me Before You by JoJo Moyes, One Day by David Nicholls, or The Notebook by Nicholas Sparks then make time for Kelly Rimmer's stunning, heartbreaking new novel Me Without You. A story of how love can break our hearts and heal them. A year ago I met the love of my life. For two people who didn't believe in love at first sight, we came pretty close. Lilah MacDonald beautiful, opinionated, stubborn and all kinds of wonderful in ways that words could never quite capture. The woman who taught me to live again. My Lilah, who gave me so much, and yet kept from me a secret that she knew would break my heart. My name is Callum Roberts, and this is our story. Me Without You is a book to make you smile, bring you to tears and remind you to hold on tightly to those you love. What people are saying about Me Without You I was hooked right from the start, and it was just the most beautiful portrayal of falling in love I've ever read. It's the type of love you dream of and want for yourself Kelly Rimmer has done an outstanding job with Me Without You, it's engaging, it warmed my heart to the very core, and then tore it out and stomped all over it. (Quite meanly, may I add?) I knew it was coming, I knew the ending was inevitable before the first page, but the depth of Rimmer's writing and Callum's narrative slated me, and I ended up in tears. It was both sad and beautiful at the same time, and I admire Lilah for living her entire life on her own terms. I will miss Callum and Lilah. They stole into my heart, their story is one I will long remember and Me Without You is an unforgettable tale that I couldn't recommend more.' 5/5 Girls LovetoRead.com I fell in love with this amazing book after the first sentence and would read it all over again. A wonderful mixture of emotions, real love, secrets, laughter and sadness. Skys Book Corner Me Without You is the beautiful, moving story of Callum and Lilah and they turned me into a complete emotional wreck. I loved the banter and the chemistry between them both right from the first, brilliant chapter and then as the book went on, it warmed and broke my heart all at the same time Its an incredible novel. ed the Book Its been a while since Ive read a book that made me ugly cry. You know what I mean big, fat tears rolling down your cheeks leaving you with eyes so puffy you look like youve had an allergic reaction. Think Claire Danes in well pretty much any role shes ever been in. Kelly Rimmer's Me Without You certainly broke that dry spell Told in alternating points of view from Lilah and Callum, Me Without You is a heartbreaker of a book that has great characters and a gut-wrenching ending that left me feeling a weird mix of bereft and yet hopeful. 4/5 Judging Covers.co.uk There's not much I can say without giving the story away, other than how much I adore Callum and Lilah. Their love story is so genuine and heartfelt This book is beautifully written, and I found myself highlighting like crazy throughout. I highly recommend this book, but I must warn you, it's one that will make you cry. 4.5/5 Mrs Leifs Blog Kurzbeschreibung An unforgettable tale that I couldn't recommend more. 5/5 Girls LovetoRead.com If you enjoyed Me Before You by JoJo Moyes, One Day by David Nicholls, or The Notebook by Nicholas Sparks then make time for Kelly Rimmer's stunning, heartbreaking new novel Me Without You.
